Mustang
bold, spirited
determined, enduring
beautiful, free
Mustang

Within each of us...

The 1978 **Spectatus** is dedicated to the eternal spirit of the Mustang, for it is this spirit that enables us to bond together in friendship, just as the mustangs that run free are bound together to live a peaceful life in the wild.

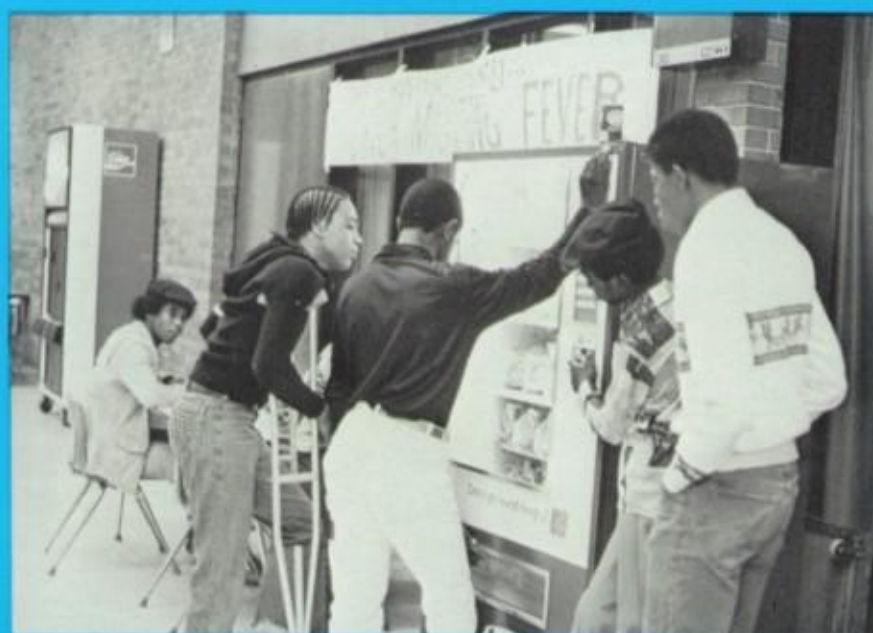

Enthusiasm in class, club, and sport activities helped to create and strengthen friendships among students. Tremendous support was evident when six buses filled with the marching band, the drill team, the students, and parents accompanied the football team as it participated in the state playoffs.

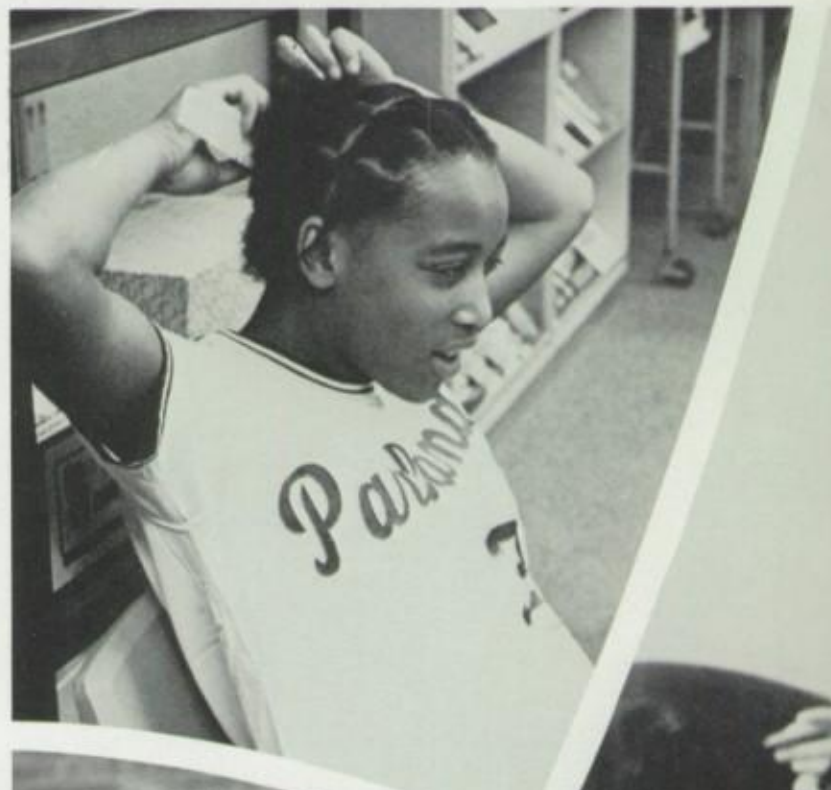

The symbol of the mustang can be seen all over Parkland — on brick walls, on class rings, on rear car windows, on posters and banners, on t-shirts, on drill team, cheerleader, band, and sport uniforms, and on the football field. The displaying of these symbols exemplifies the pride Parkland students take in their mascot. This pride can be felt as well as seen when Mustangs' emotions are stirred with each performance of "The Horse," our school's theme song.

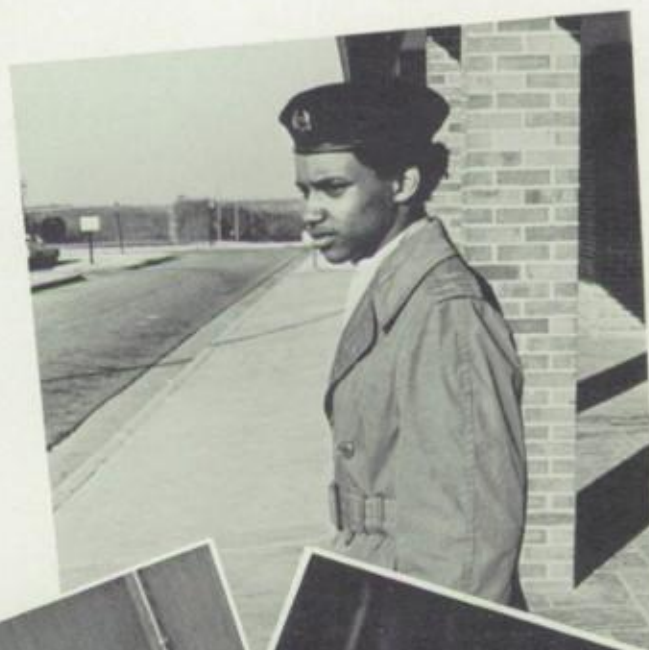

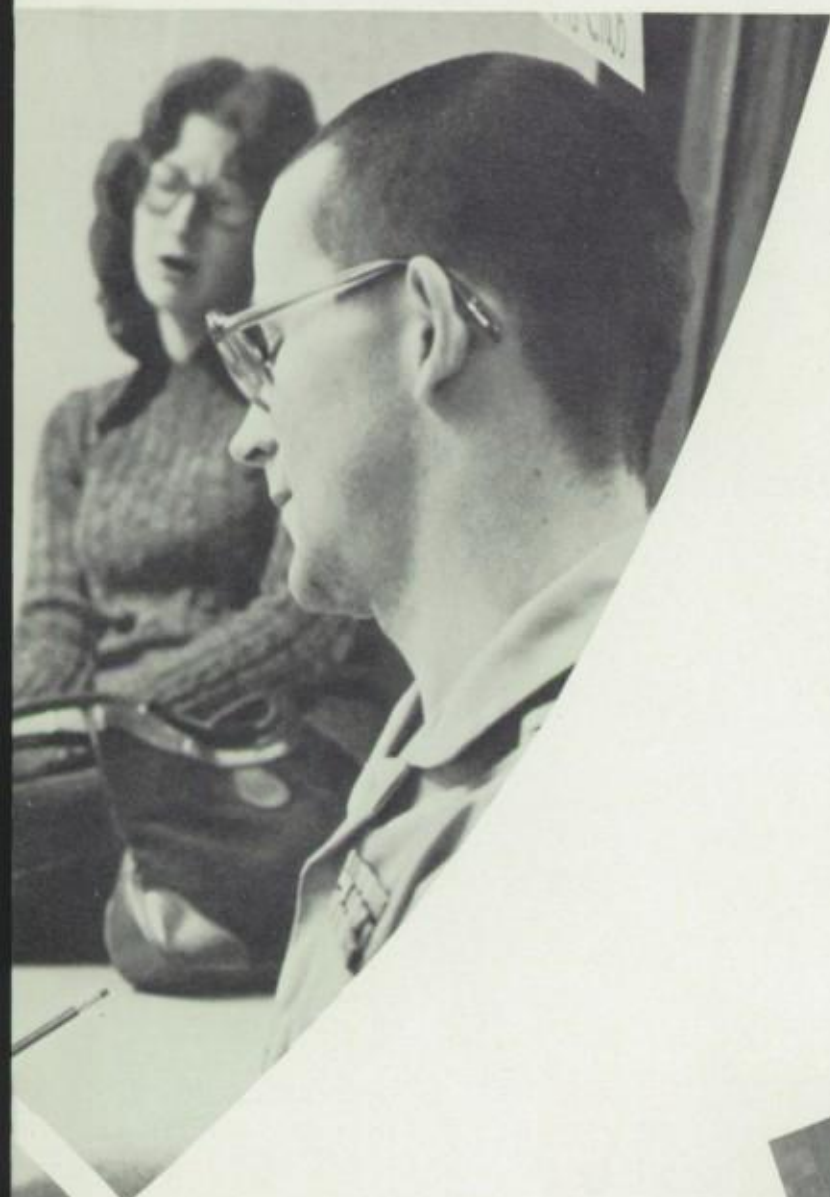

Different personalities together
create a world of love — A
universe of learning: This is our
carousel of life. Our world of
yesterday, our world of today,
and our world of tomorrow
continue on their never-ending
journey of life.

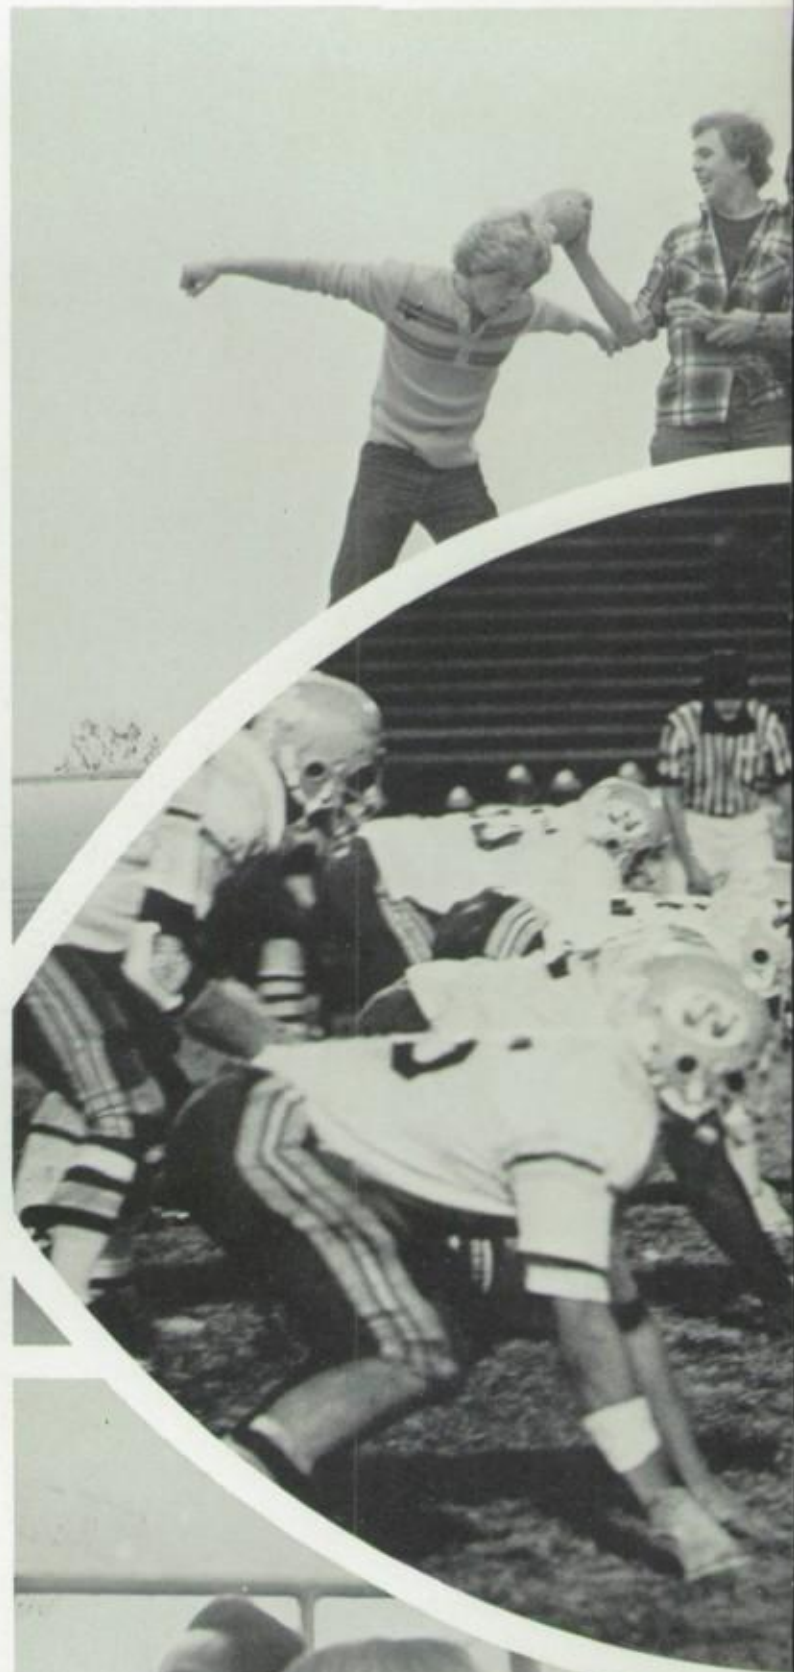

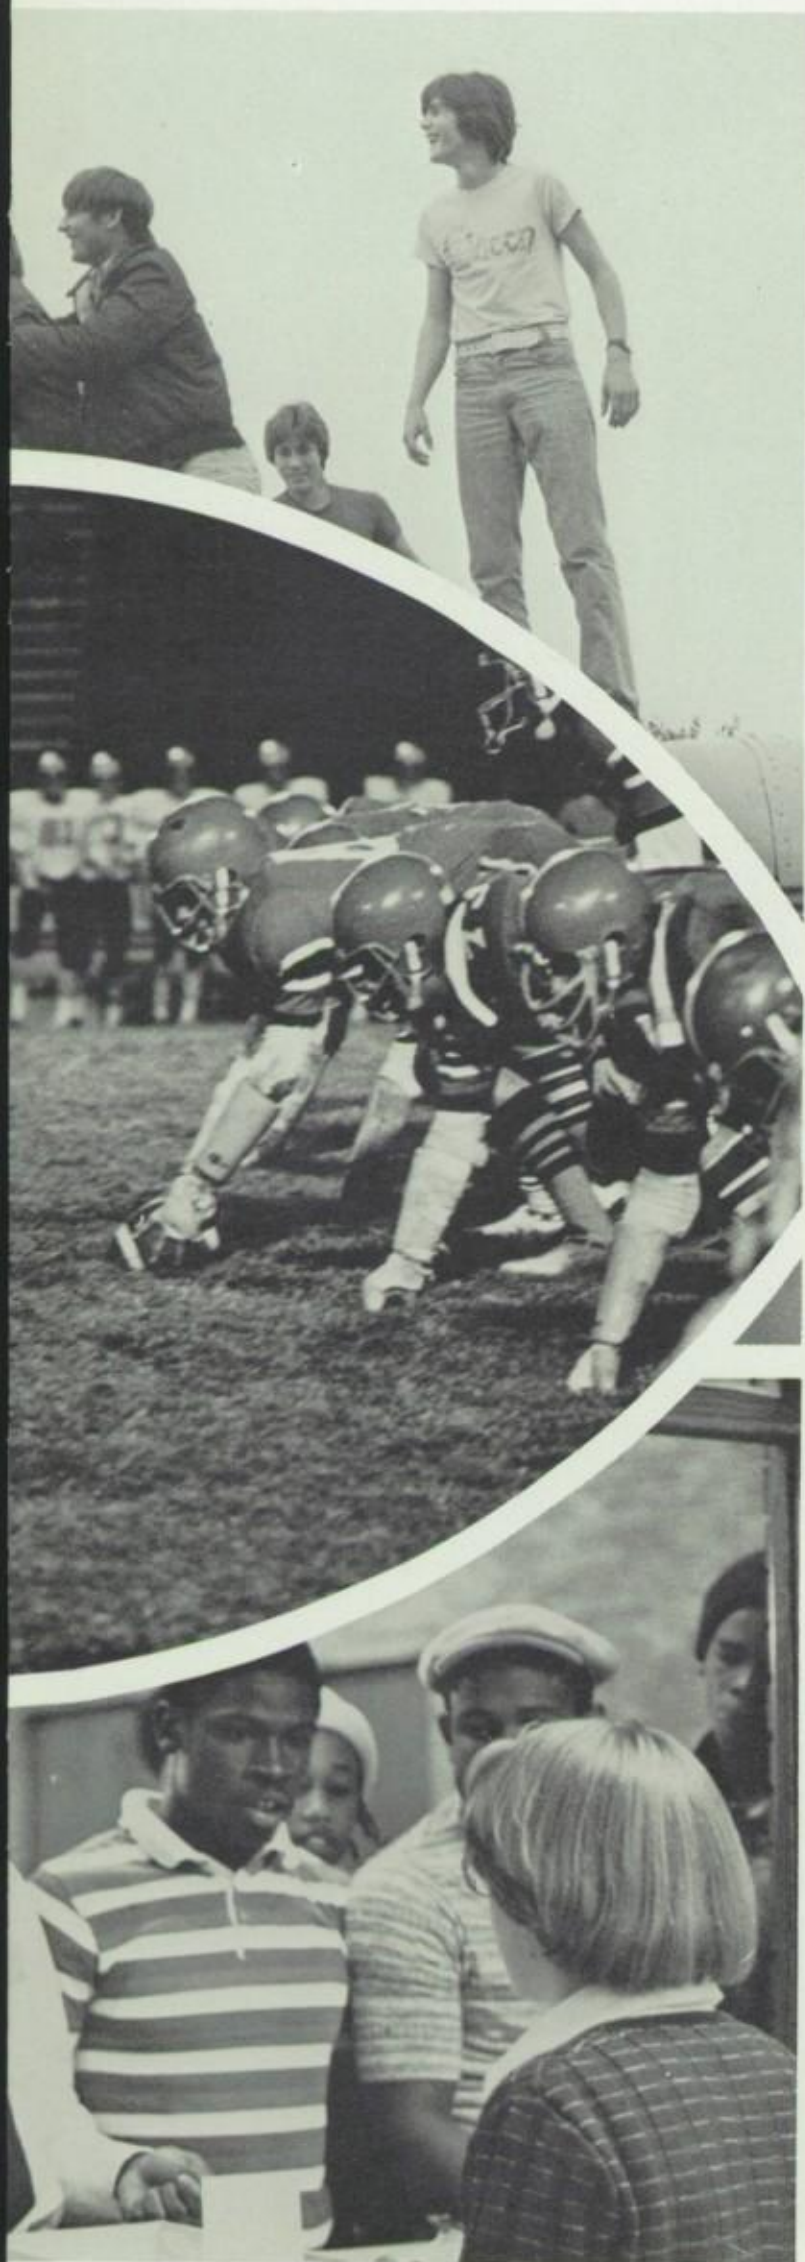

It is time for us as Parkland Mustangs to continue together on the carousel of life; yet each of us must strive to be an individual, not just a duplicate of others on the carousel.

The Mustang spirit, determination, and enthusiasm unify Parkland as a school, and the qualities become part of each person who attends.

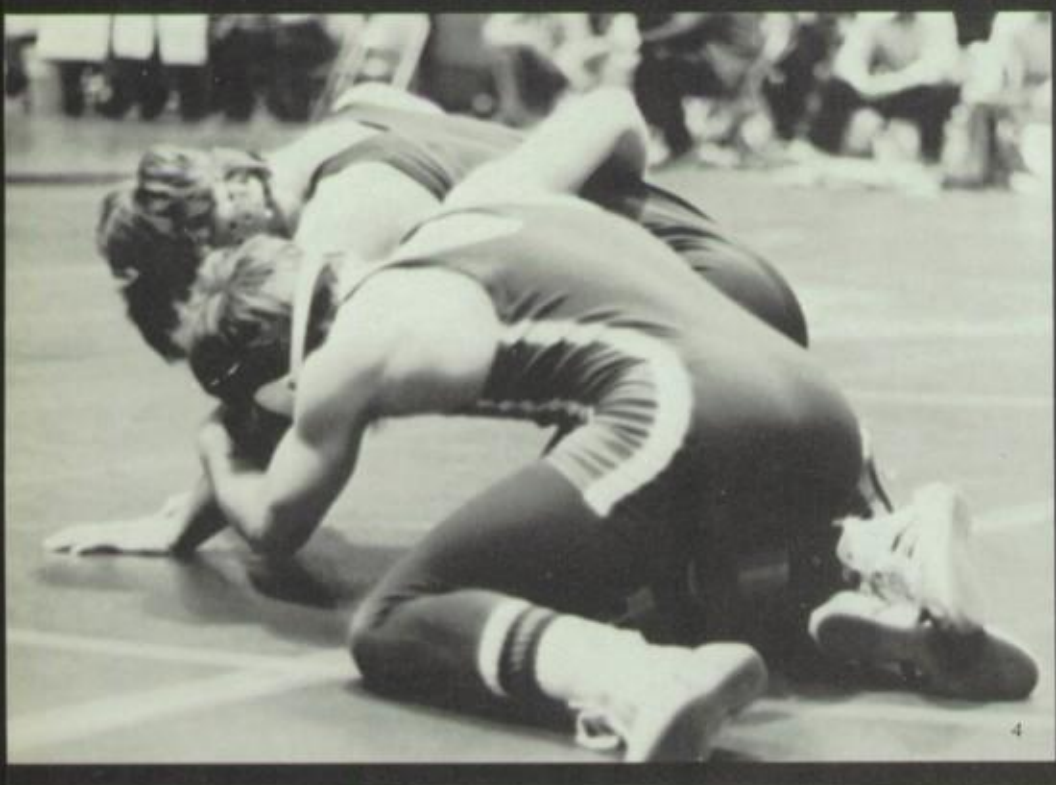

See the smiles
Hear the laughter
Feel the love
a long time after.

Think of the
friendships
Remember the fun
Take pride in the
success
You tried, and you
won.

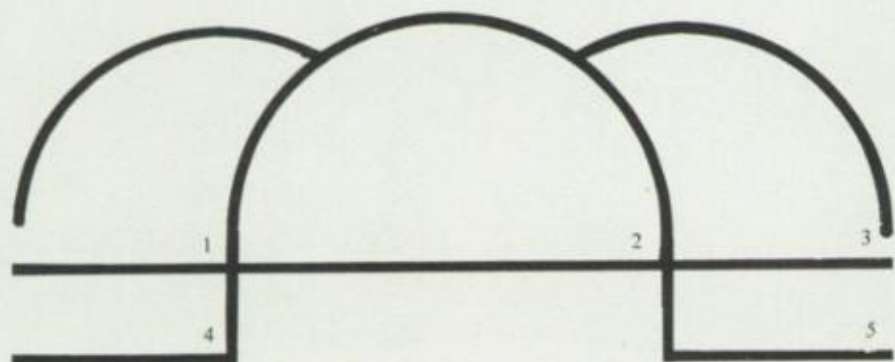

A Spirit

The Mustangs started their season with two consecutive shut-outs, 34-0 and 14-0 over Graham and North Forsyth respectively. Britt Kimel

The 1977-78 cross country team, though starting off with two wins, fell victim to larger teams and injuries. David Coleman

Although Parkland's Varsity basketball team started off its season with a win over High Point Central, the continuance of the schedule brought only a struggle to keep an even record. Having to play teams like East Forsyth and North Forsyth early in the season left the players demoralized as they entered conference play. They ended the regular season with a 5-18 record, and recorded a fourth place finish in the annual Frank Spencer tournament. The team brought forth such outstanding players as David Coleman, Anthony Powell, and junior Greg Neal.

- 1/ Bryant Williams goes up for two points.
- 2/ Players tumble to the floor in an effort to gain control of the ball.

**"Next year . . .
another season."**

Marvin Dean

The 1977-78 Parkland Varsity Basketball team experienced a season that was considered to be a fairly good one, but it wasn't comparable to past season records. One main result of the season was having four of the team members receiving district awards. Bryant Williams, Anthony Powell, football star Chris Kirkpatrick, and Marvin Dean were the moving forces and backbone of the team. The Varsity team advanced to the first round of District 7 playoffs, and experienced a defeat by the Greensboro Grimsley Whirlies.

Clayton Powell

The Junior Varsity Basketball team had a disappointing season, finishing with a 6-14 record. Although the beginning was a disappointment, the team came back with three consecutive wins over R.J. Reynolds, beating them twice, and over East Forsyth. They lost the next game to Kannapolis, and then began a downward slide by losing to Dudley, Grimsley and West Forsyth. The eight game losing streak was broken, however, in a win over H.P. Andrews near the end of regular season play. They then lost their last game, ending the season on a bitter note.

High Point Central defeated Parkland's Girls Varsity Basketball Team for the beginning of what turned out to be a very long season. The highlight of team play came when, in the fourth game of the season, Parkland defeated Reynolds and three days later crushed North Forsyth 72-33. The pace did not last, however, as the lady Mustangs went into a decline. After losing four consecutive games, they slipped by Ragsdale, lost twice, and then crushed West Forsyth in a hotly contested game.

was wonderful."**

Gary Phillips

The 1977-78 Wrestling team reached the climax of a successful season with the advancement of Gary Phillips into the State Wrestling Tournament. Although the team had to face the state champions, Ragsdale, during the regular season, they were able to win the Parkland Invitational. Several members of the team advanced to the regionals, but only Gary Phillips continued to the state tournament. He continued winning until the semi-final round, where he lost to the future state champion. He won his consolation match, and was ranked third in the state.

Soggy and snow-covered fields delayed the start of baseball season. The turnout was good, as approximately twenty-five hopefuls flooded the field. Coach Barringer was helped by a new assistant coach as they prepared for an eighteen game season. The team was led by returning seniors Donnie Carlton, Ricky Fesperman, Jeff Foster, Mark Shaver, and Jeff Williams. Dean Butner, Chris Conrad, Roger Hickman, Dean Hiatt, and Frankie Watson were strong junior prospects.

Debbie Solomon

This is the advice that Debbie Solomon would like to share with all girls, and advice she feels helped her win the Forsyth County Junior Miss title in November, the N.C. Junior Miss crown in January, and the title of first runner-up in the televised America's Junior Miss Pageant. Debbie first entered the Forsyth County Junior Miss contest upon encouragement from the Parkland guidance office and her parents. Dancing to "The Lonely Goatherd," Debbie won the talent award as well as the poise and appearance awards in the state pageant, and the physical fitness and talent scholarships in the national pageant. Debbie plans to major in psychology when she enters UNC next fall because of her love for people.

"It was like a dream come true."

Leslie Chesson

When Leslie Chesson recalls the nine weeks of her summer spent living with a Swedish family in the town of Tumba, it is like remembering a dream. Leslie, the only teen involved in this program from N.C., read about Youth for Understanding, an international student exchange program for the U.S. Leslie departed on June 21 and returned August 23. During her stay, Mr. and Mrs. Per Stromberg and their three children became Leslie's family for the summer. Leslie enjoyed the trip and was impressed enough to know that she wants to go back again, because she has only gotten a taste of what it's like.

“Working on Teen Page you find out about activities you never knew were happening, you meet other kids, and gain many friends and acquaintances.”

Tracy Smith

“It’s a very rewarding experience,” says Tracy, Parkland’s Teen Page Correspondent to the **Sentinel**. “Even though there is a lot of hard work and it takes up a lot of my time, I love it. You also have to have a liking for people and you can’t be shy.”

“There’s a lot one can learn from being Teen Page Correspondent,” she said, “Like learning to face the value of things and responsibility, but the one thing I learned is the important and true fact of being a reporter. That it’s not all front page by-lines, it’s hard work and a lot of time.”

**“There’s a place for everyone
in Drama.”**

Barry Poteat

Barry Poteat, a drama student, feels that if you haven’t found a place where everyone can get involved then you haven’t tried drama. Barry played a butler in the Little Theater play “The Man Who Came to Dinner.” He was also in “The Flood” and “Back to Creation,” which were school drama productions. In doing a play Barry says, “I concentrate mostly on my role. I also would like to share this advice for anyone who is interested in drama; to be sure that it is what you want, for it is best if you go in to go all the way.” Barry likes playing the guitar and doing anything that is creative. He also has plans of going into the Navy sometime after he graduates.

Hope chests, tables, wooden pictures, and copper mugs are a few things the Industrial Art students made. The instructors, Mr. Claude Edwards and Mr. Foster L. Hayes, exhibited the pupils' projects in the showcase within Parkland.

When the new State Law was passed concerning safety in Industrial Art classes, the students were told to wear their safety glasses while sanding, welding or even glueing.

The Industrial Art classes include Wood Working I, II, and Metal Works I, II.

- 1/ Turner Skidmore uses the lathe in Metal Works.
- 2/ Mr. Edwards explains how to operate the lathe safely and correctly.
- 3/ Rodney Scott works on his copper mug project, by using the Milling Machine in Metal Works II.

"I was very glad that we won the Army Instructions Award for the third consecutive year."

Joey Coley

The ROTC departments, led by Lt. Col. McGee and First Sgt. Wood, won the Director of Army Instructions award for the third consecutive year. The award was achieved by gaining the most points in the Annual Formal Inspection. The outstanding cadets received a ribbon for winning the ROA Award, Reserve Officers Association. Campbell College and Raleigh are the places the ROTC's Drill Team and Color Guard competed for awards.

- 1/ The Color Guard waits to perform at half time.
- 2/ First Sergeant Wood and Deway Hill inspect the cadets.
- 3/ Terry Allen and Connie Anderson stand at attention for inspections.

“While achieving physical fitness, I also learned good sportsmanship.”

Kelly Cook

Archery, frisbee, trampoline and the Presidential Physical Fitness Test, which 42% of the students passed, were a few activities the Physical Education Department consisted of. The Universal Machine or the Universal Centurion II Dynamic Variable Resistance Machine, was purchased. The Advisors were Mrs. Ann Idol, Ms. Norma Freeman, Mr. Tom Muse and Coach Homer Thompson.

- 1/ Boys play football in 2nd period gym.
- 2/ Sharon Howell works out on the new Universal Machine.
- 3/ Archery is taught in 5th period, boys gym.
- 4/ Boys run track in the early fall.

**"The output of our band
comes from the input of
each individual."**

Martha Canipe

Besides performing at assemblies and sport events, the Parkland band kept a busy schedule. They played in the Winston-Salem/Forsyth County Thanksgiving parade and accompanied the Dixie Debs at the Hilton Inn to entertain a convention of business men. Randy McDaniel was the Drum Major under the supervision of Mr. Robert S. Hunt, teacher.

- 1/ Eric Rogers, Jeff Williams, and Randy Haynes march with the band in the Christmas parade.
- 2/ Boris Elder practices for the assembly.
- 3/ The band plays in class.
- 4/ The 1977-78 Chorus.
- 5/ Pam Hicks, Marcia Thomason, and Tammy Robbins learn new sheet music.
- 6/ Ricky Williams keeps in beat with the other drummers.
- 7/ Veronica Williams feeds Mr. Hunt his birthday cake.

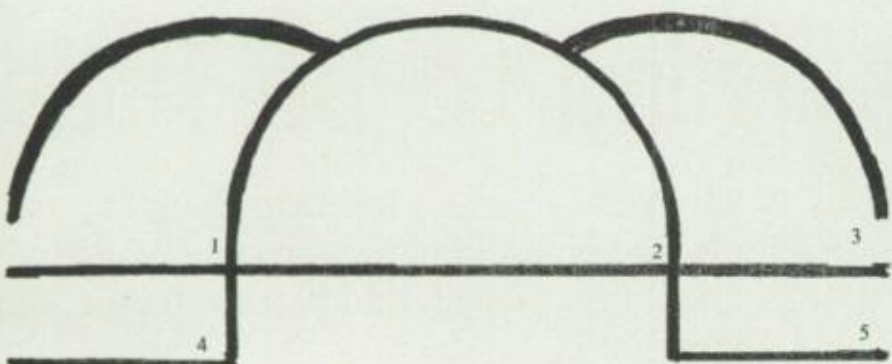

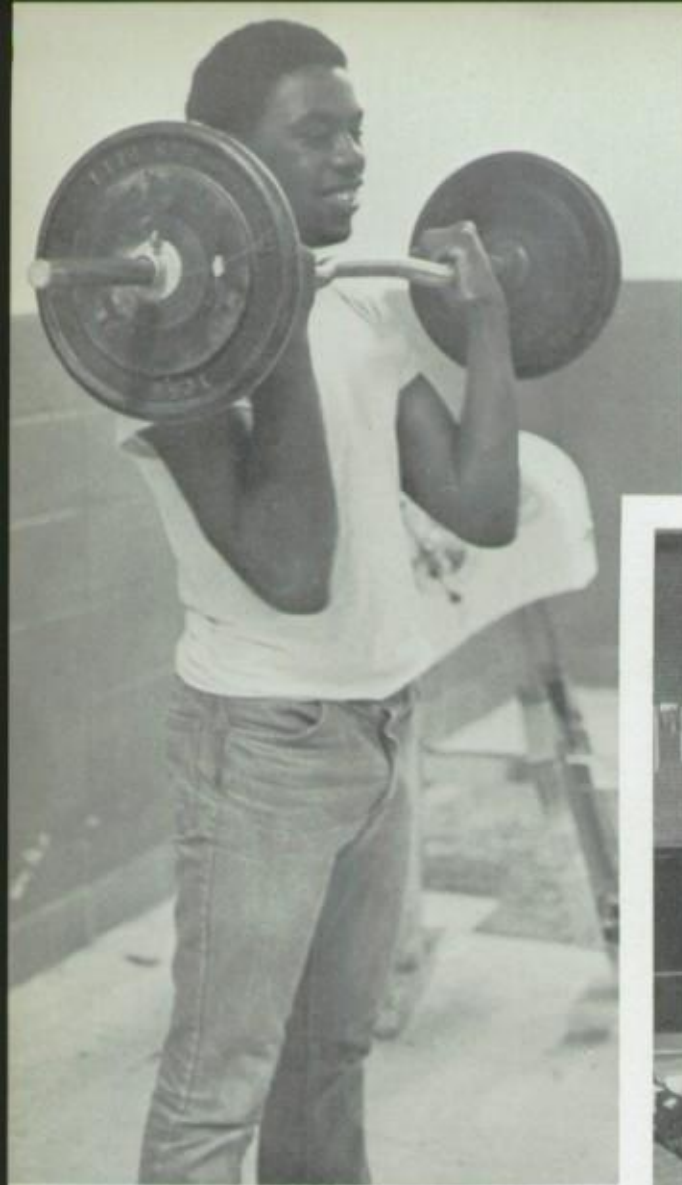

Yearning to be free

The end of this year signifies the beginning of another revolution of Parkland's carousel of life. Faces change, names change, and places change, but the spirit lingers still.

- 1/ Leland Chandler paints a paper mache boxing glove to be used in the art showcase.
- 2/ In front of the school, Cindy Cranford holds a sign of winter.
- 3/ Kenny Smith takes a break between classes.
- 4/ Ricky Jones and Tammie Simmons experiment in Chemistry.
- 5/ Jimmice Hart and Anita Gilliam jam in room 212 before a game.

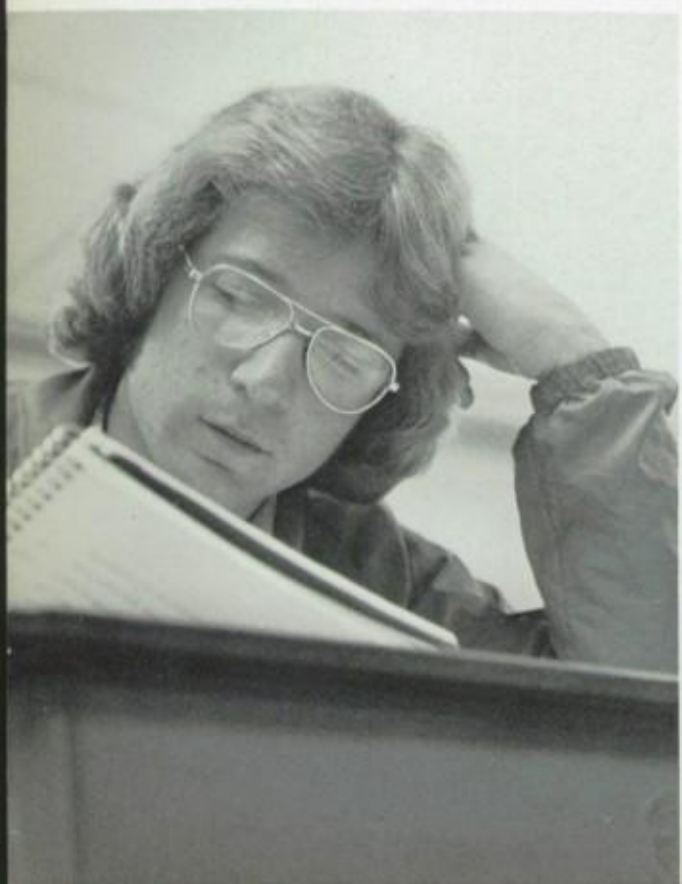

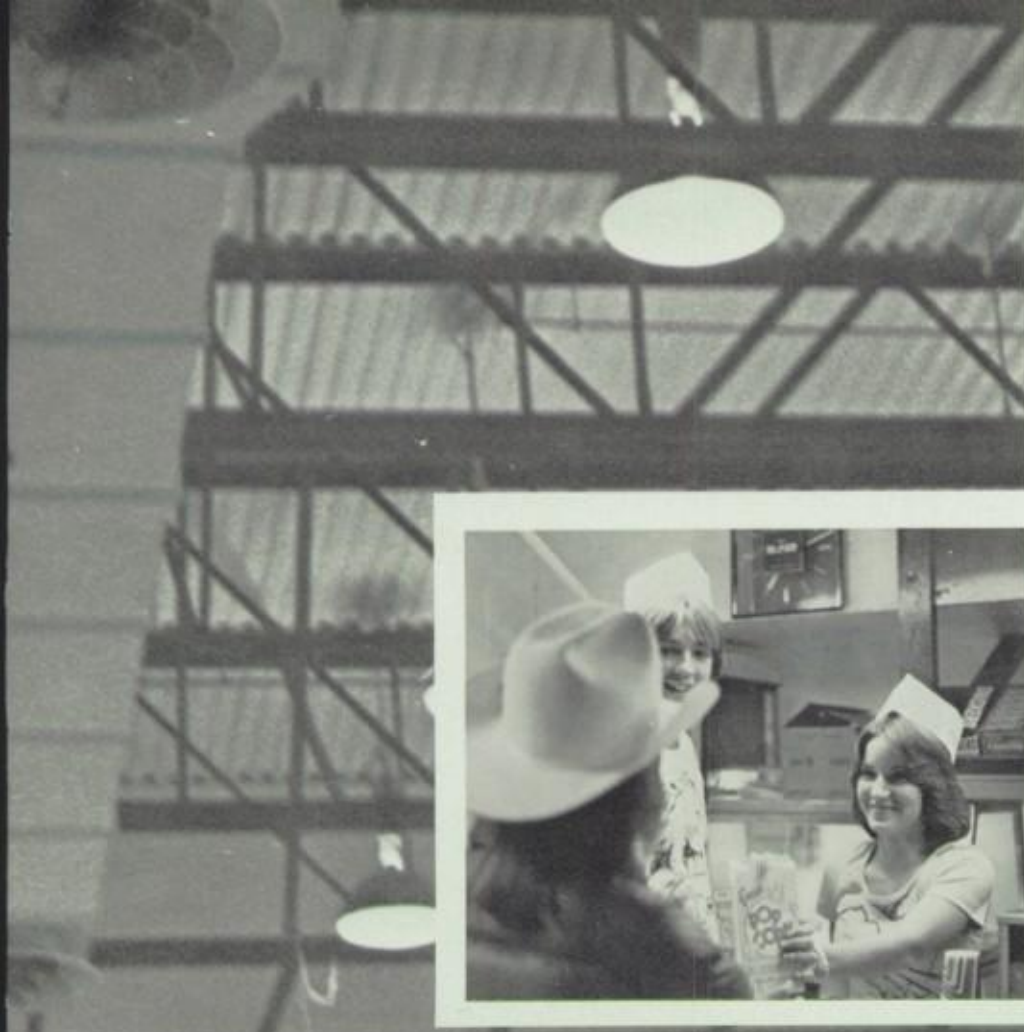

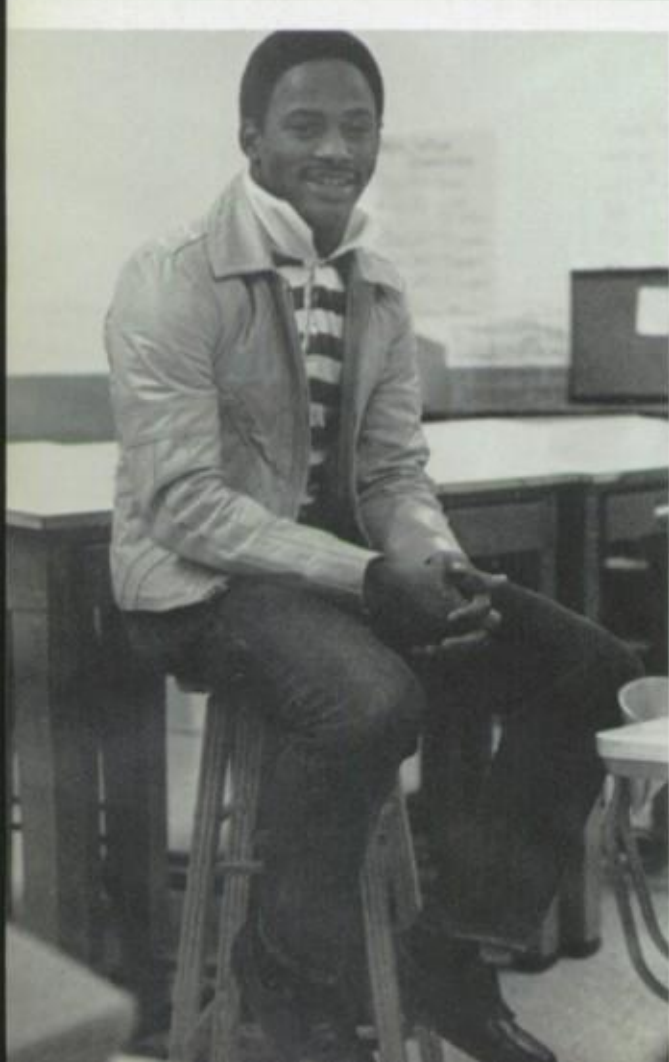

Whether studious or carefree,
outgoing or reserved, rich or
poor, tall or short,

male or female, black or white,
each Parkland student can
claim,

"I am a Mustang."

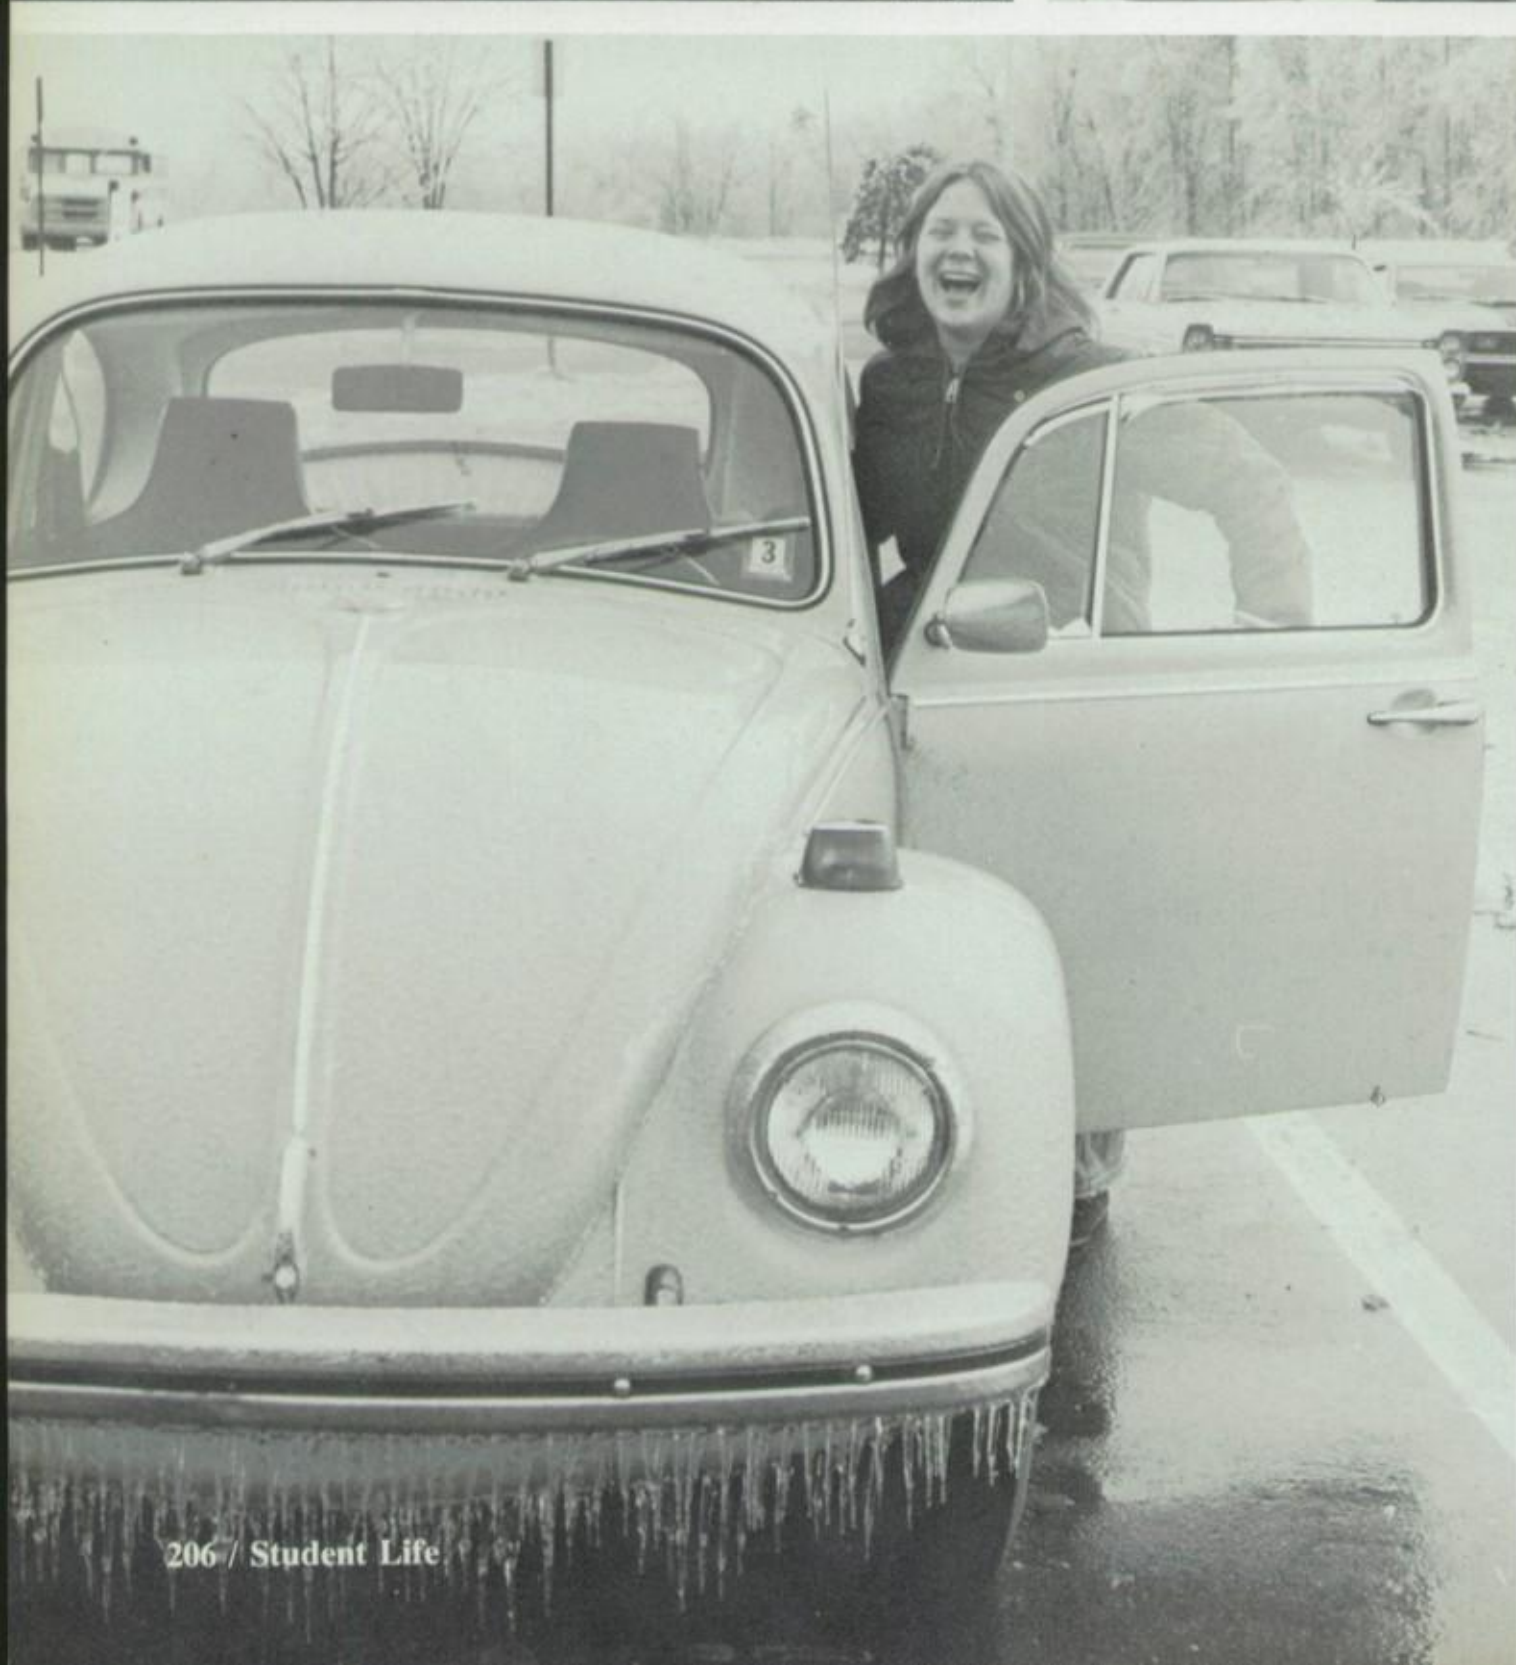

Alone, each person strove to attain individual goals, and with the help of friends achieved ultimate success. The sometimes difficult tasks associated with school and community services were undertaken with enthusiasm and dedication.

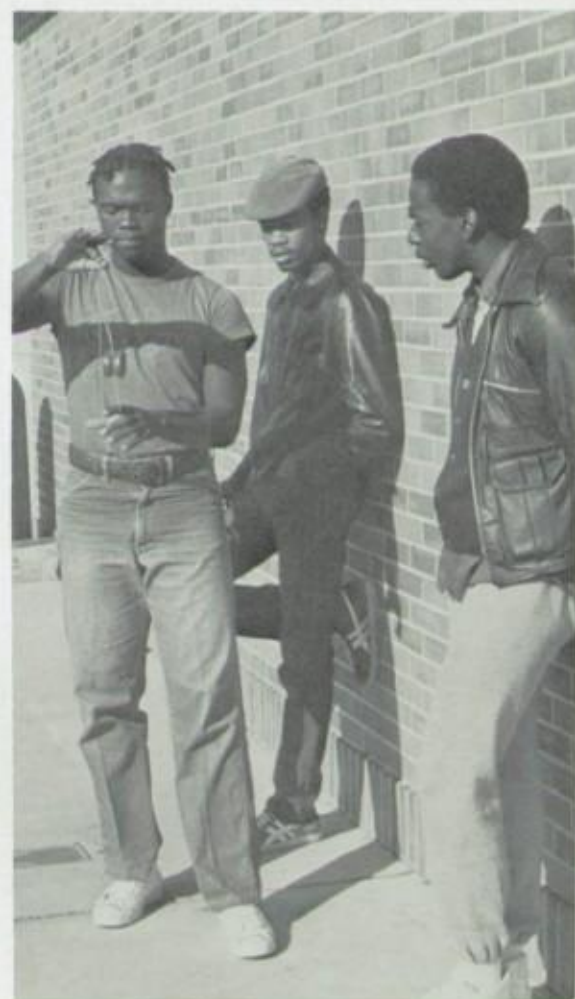

We can never find
tomorrow, for we live
with yesterday.
The friends we made,
the things we did:
memories made along
the way.
It doesn't matter if
tomorrow brings
sadness or loneliness for
the day.
We still have our
thoughts of friendship
and love:
memories made along
the way.

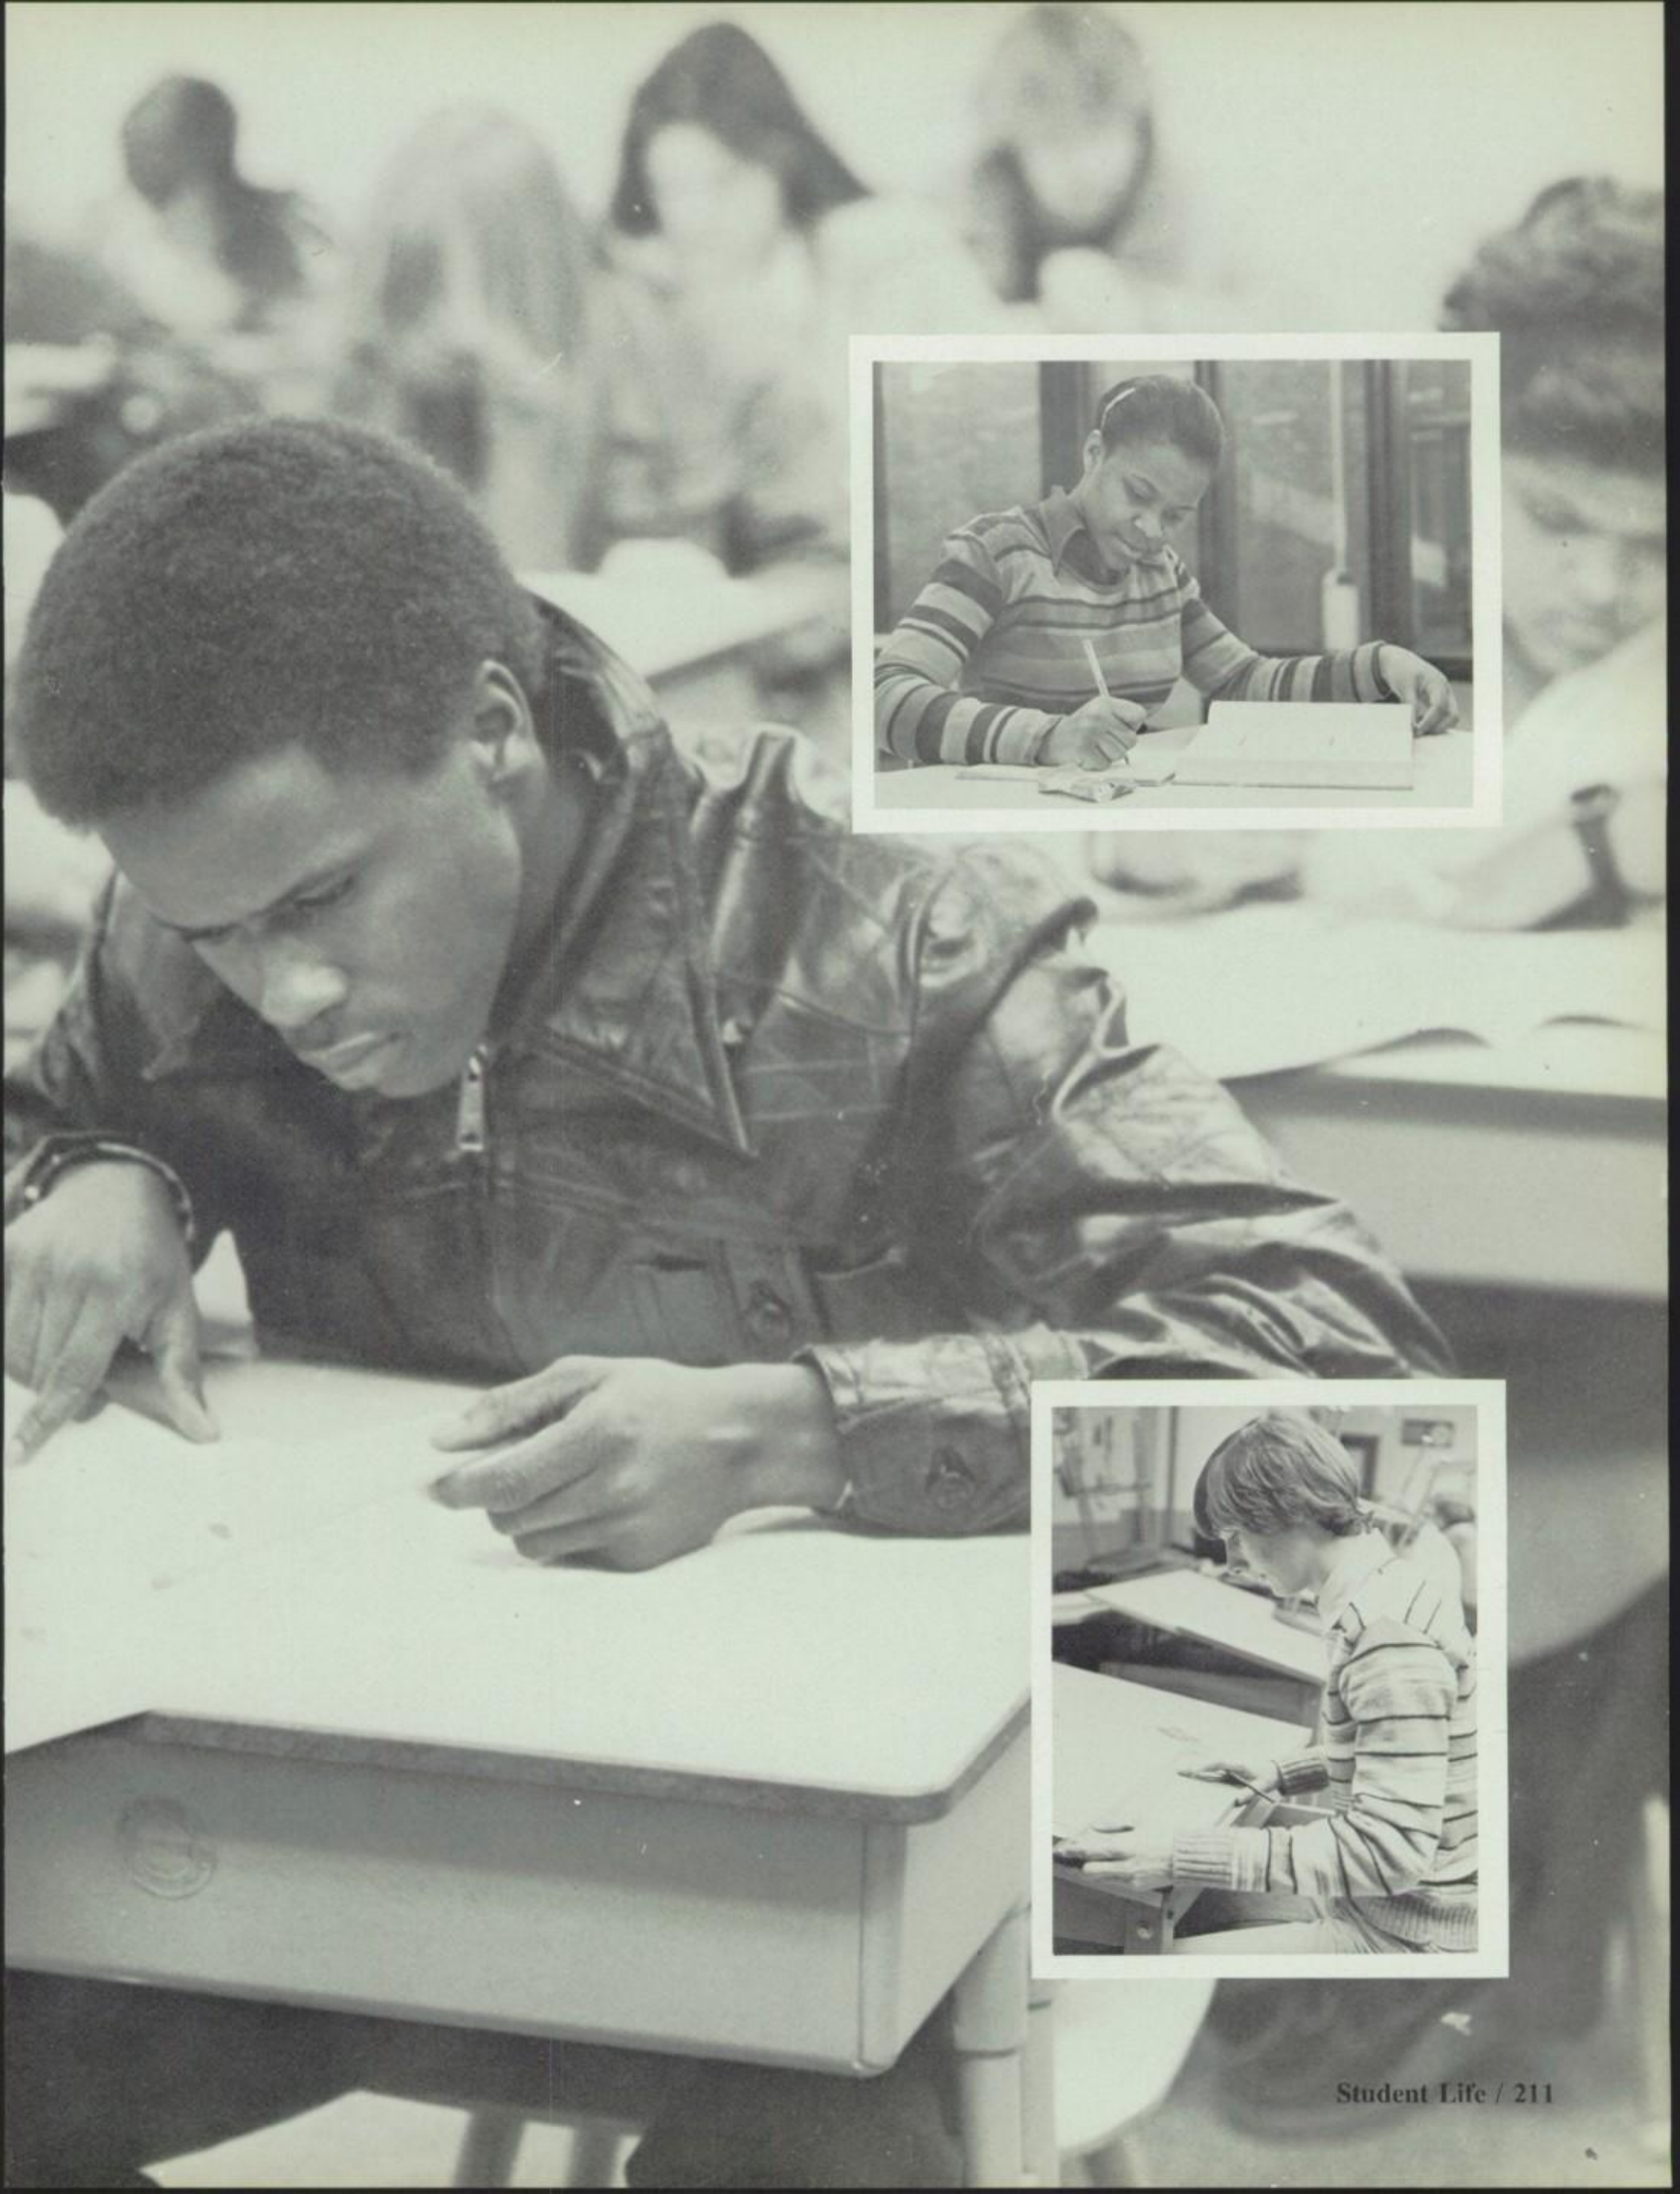

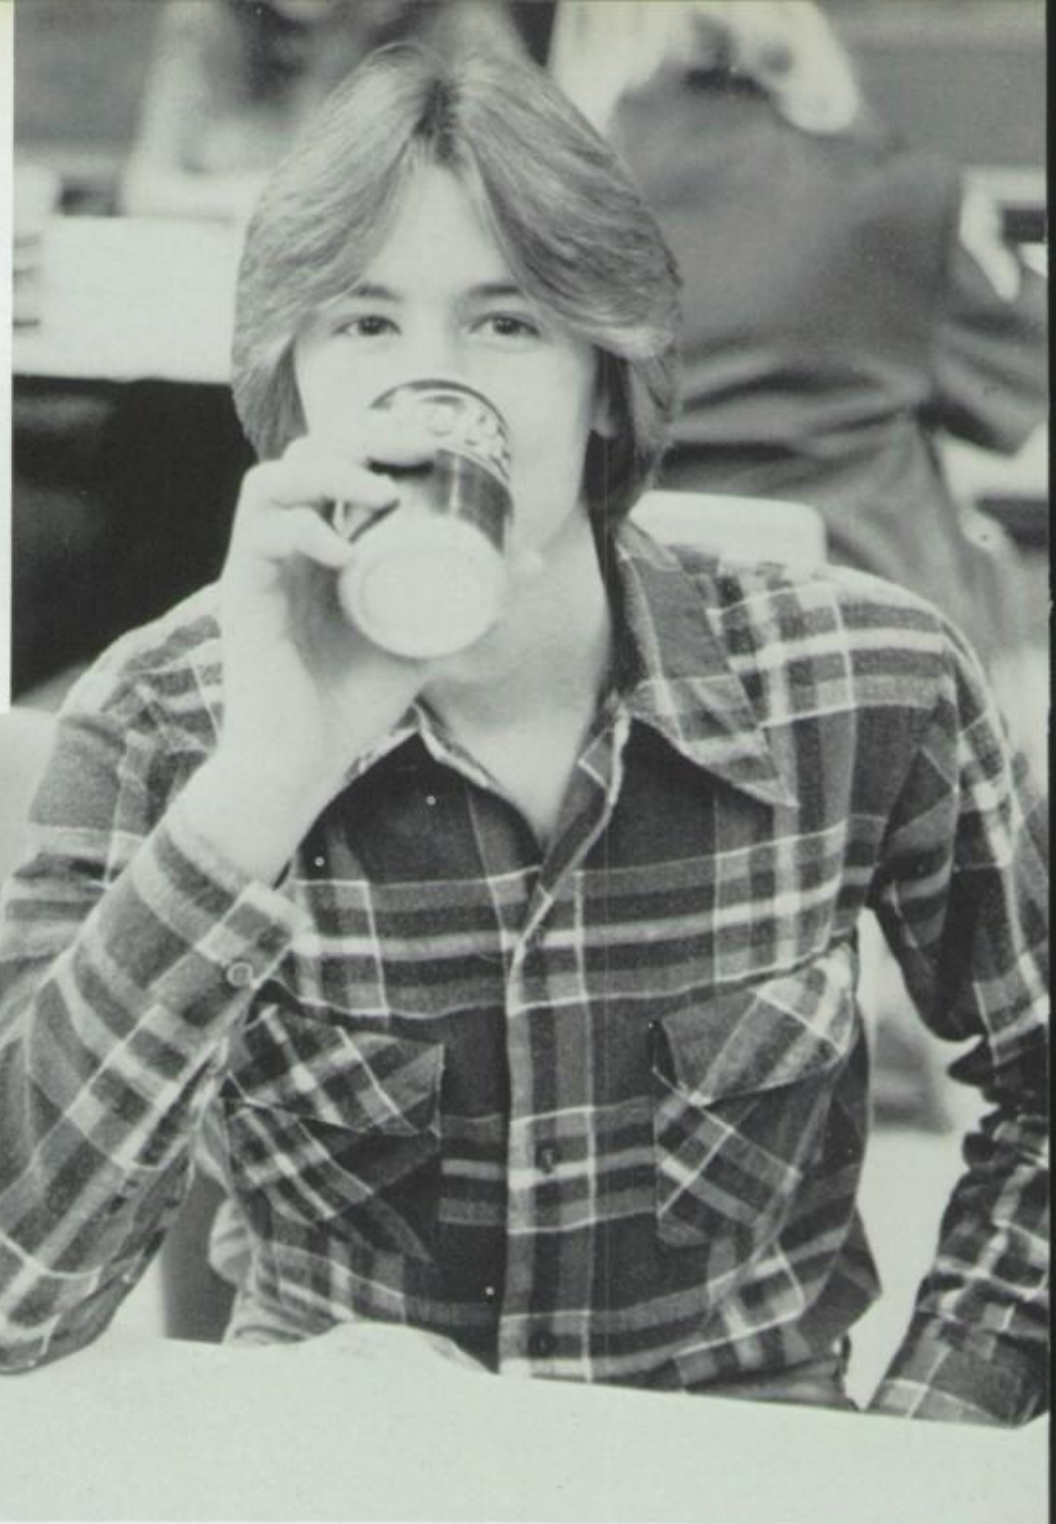

The annual "Class Competition" occurred during Spirit Week; yet throughout the year a mutual friendship existed between the seniors and juniors. The Class of 1978 leaves friends to carry on their tasks.

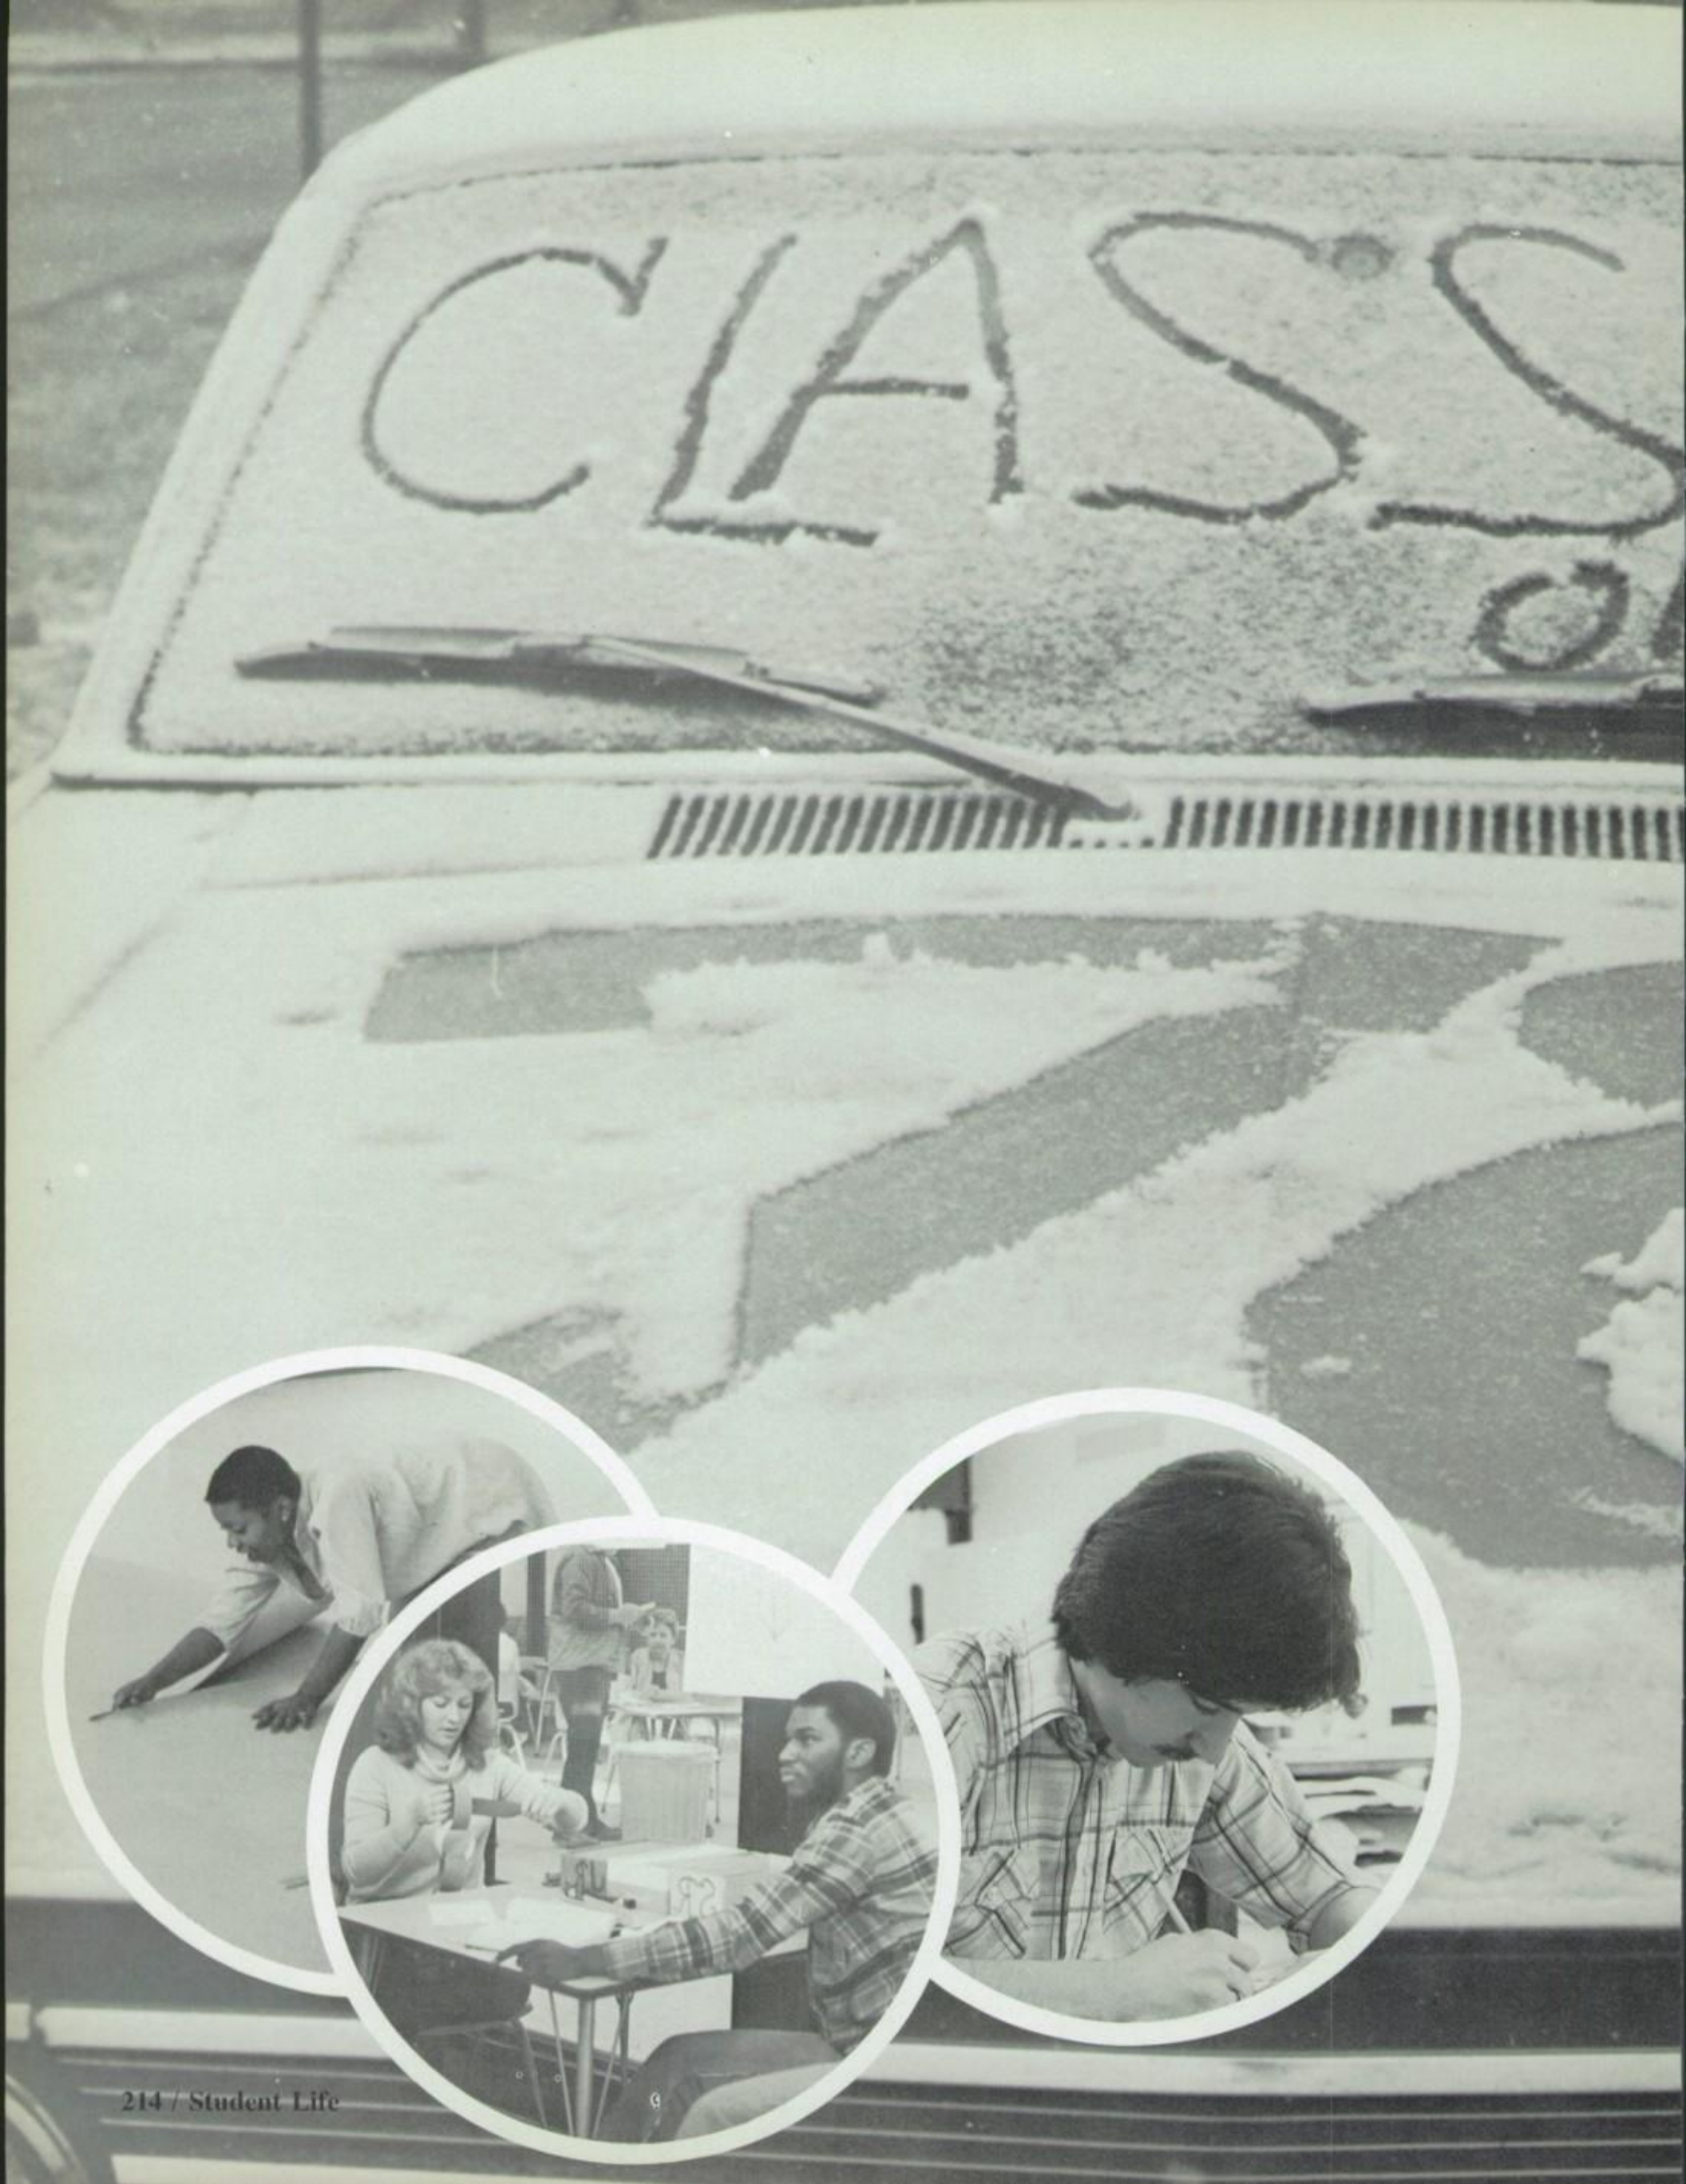

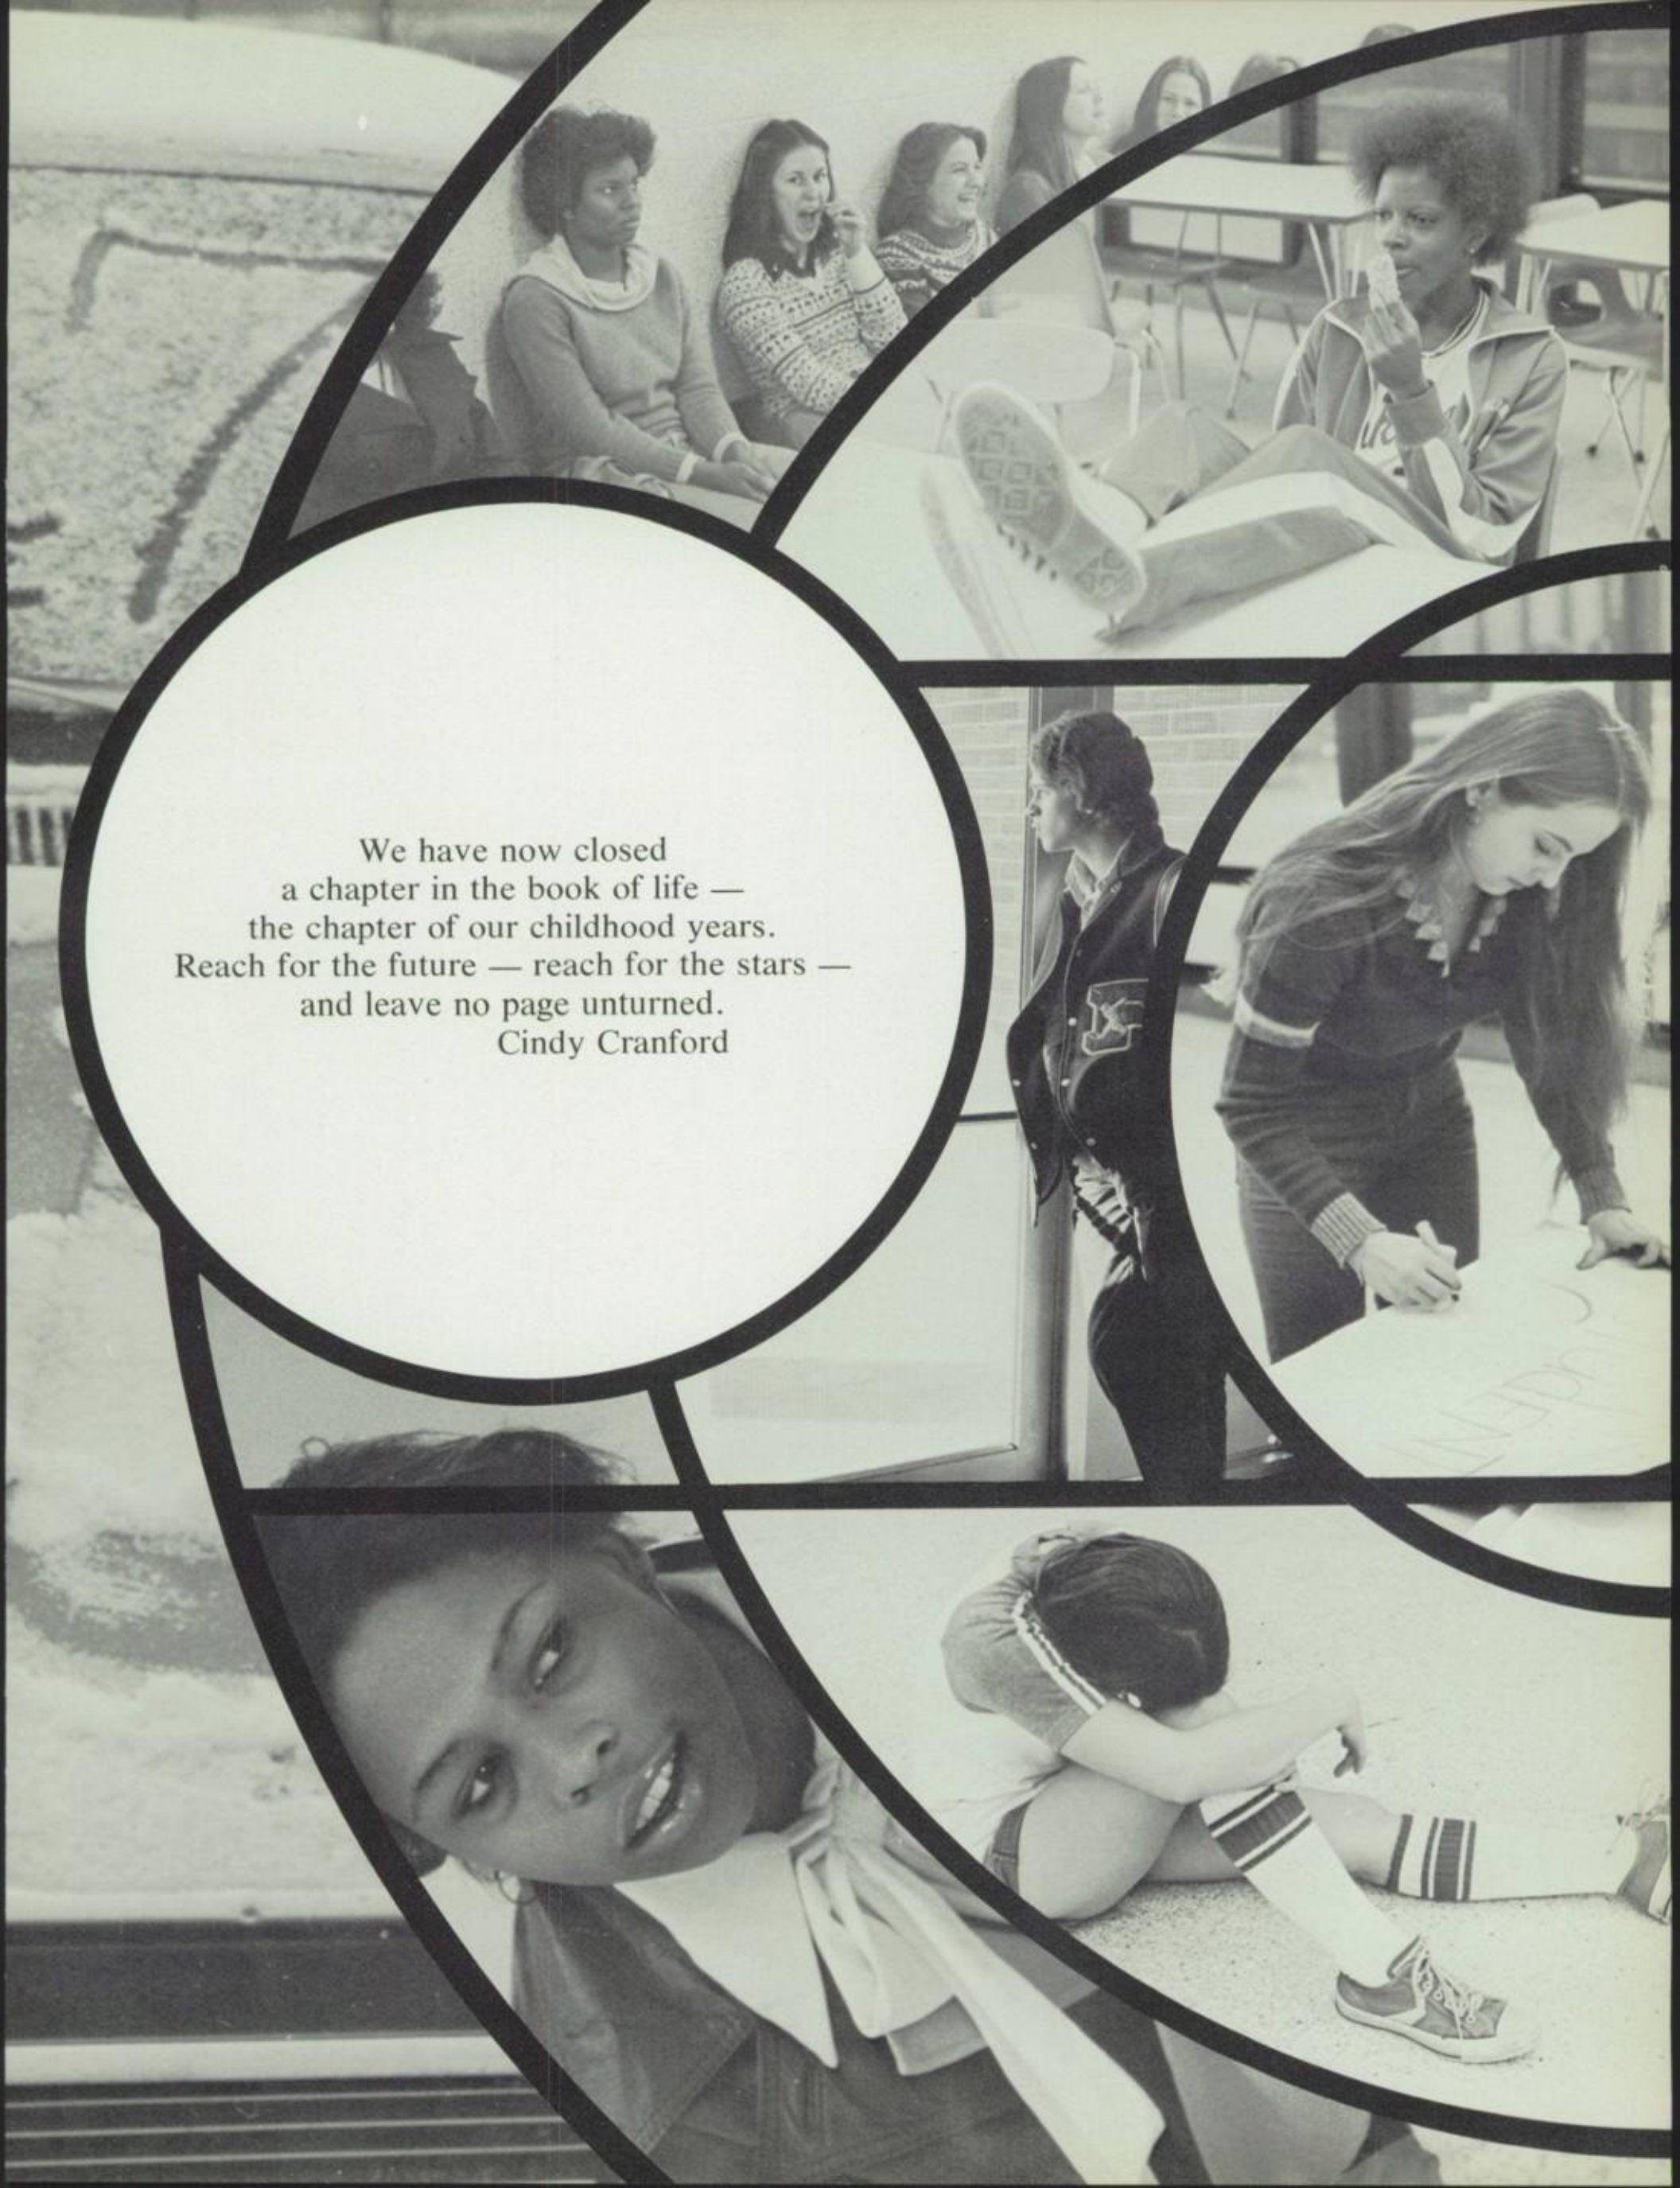

A darkened hill, and a
crimson West,
And silhouetted against the
light
A black mustang on a tawny
crest
Rears aloft in a sudden
fright.

Sinewed power and strength
and grace,
And wild, wild beauty, and
the hill
Is only a canvas on whose
face
An upreared muscled form
stands still.

adapted from
Grace Noll Crowell

We have now closed
a chapter in the book of life —
the chapter of our childhood years.
Reach for the future — reach for the stars —
and leave no page unturned.
Cindy Cranford

The world is ever changing, and we with it must also change. In our memories we must hold a very special part of each our lives our high school years. The time has come when in the physical sense we must part, but we will always remain together in spirit for our love forms a strong bond between us that time can never break so

When the last flower has been pressed, the last newspaper clipping has been folded, and the last good times have been experienced - Set love go on.

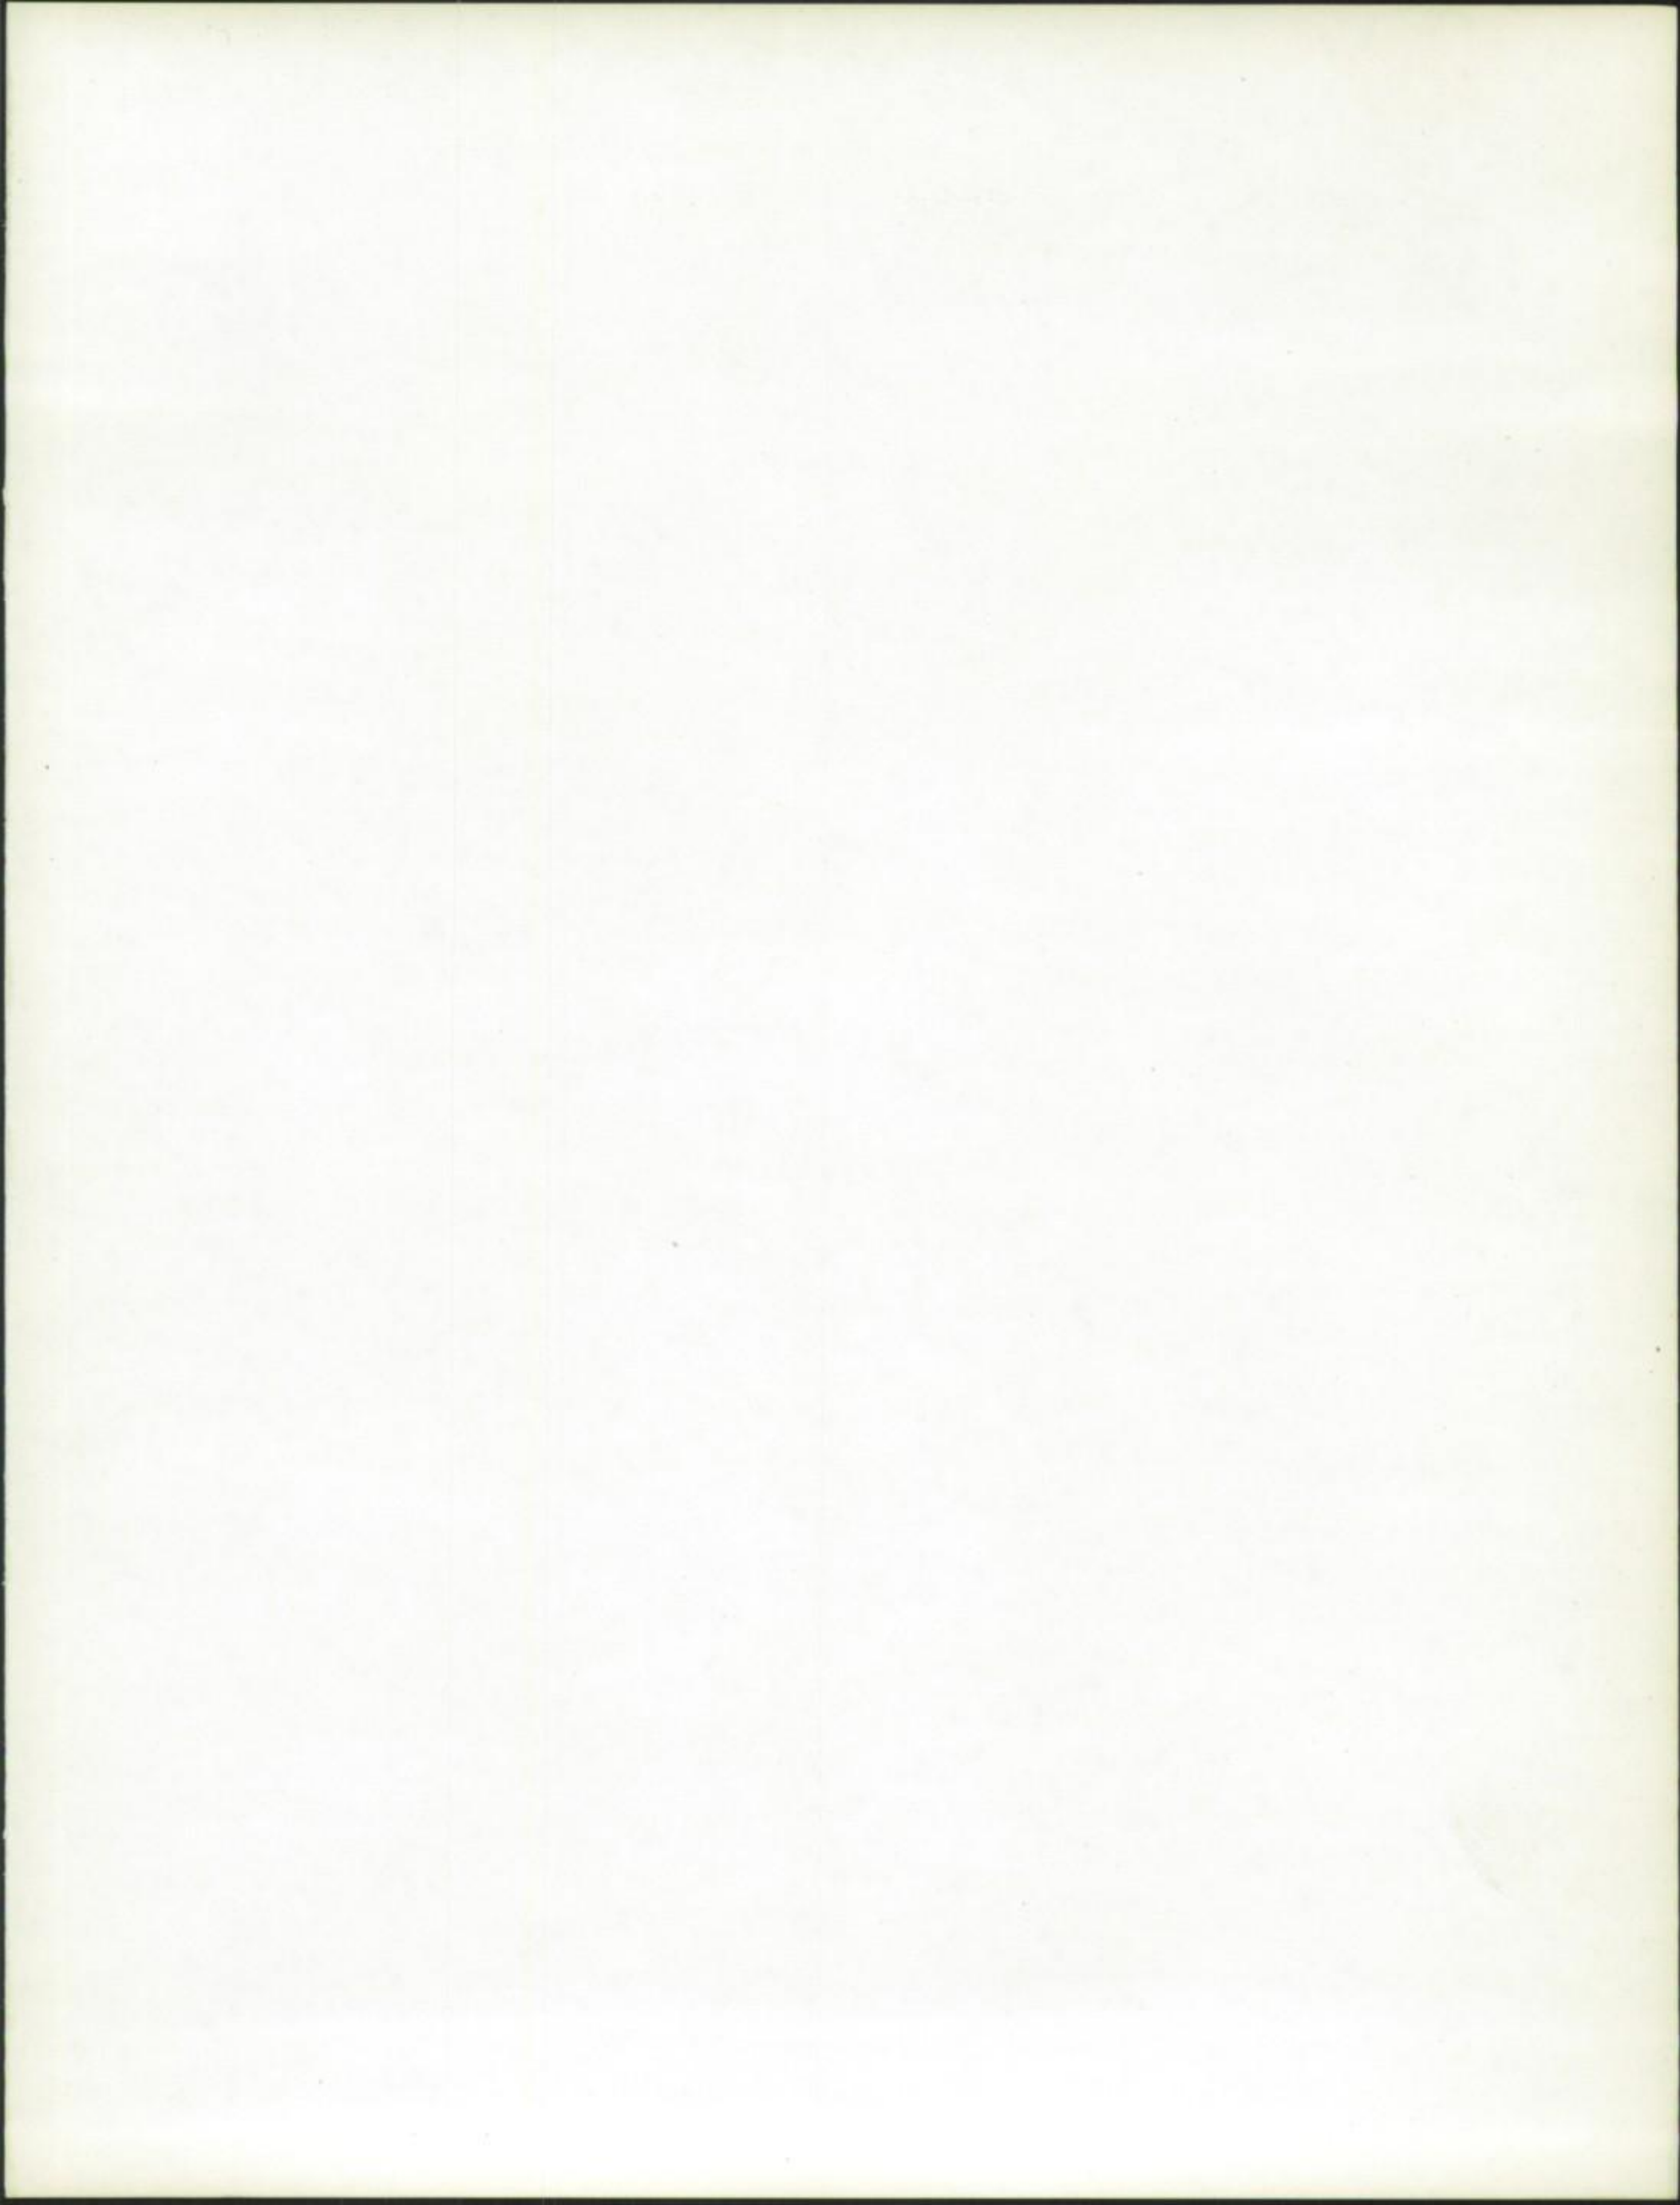

When the last test paper has been put away, the last look at the old classroom has been taken, and the last "thank you" has been uttered - Set love go on.

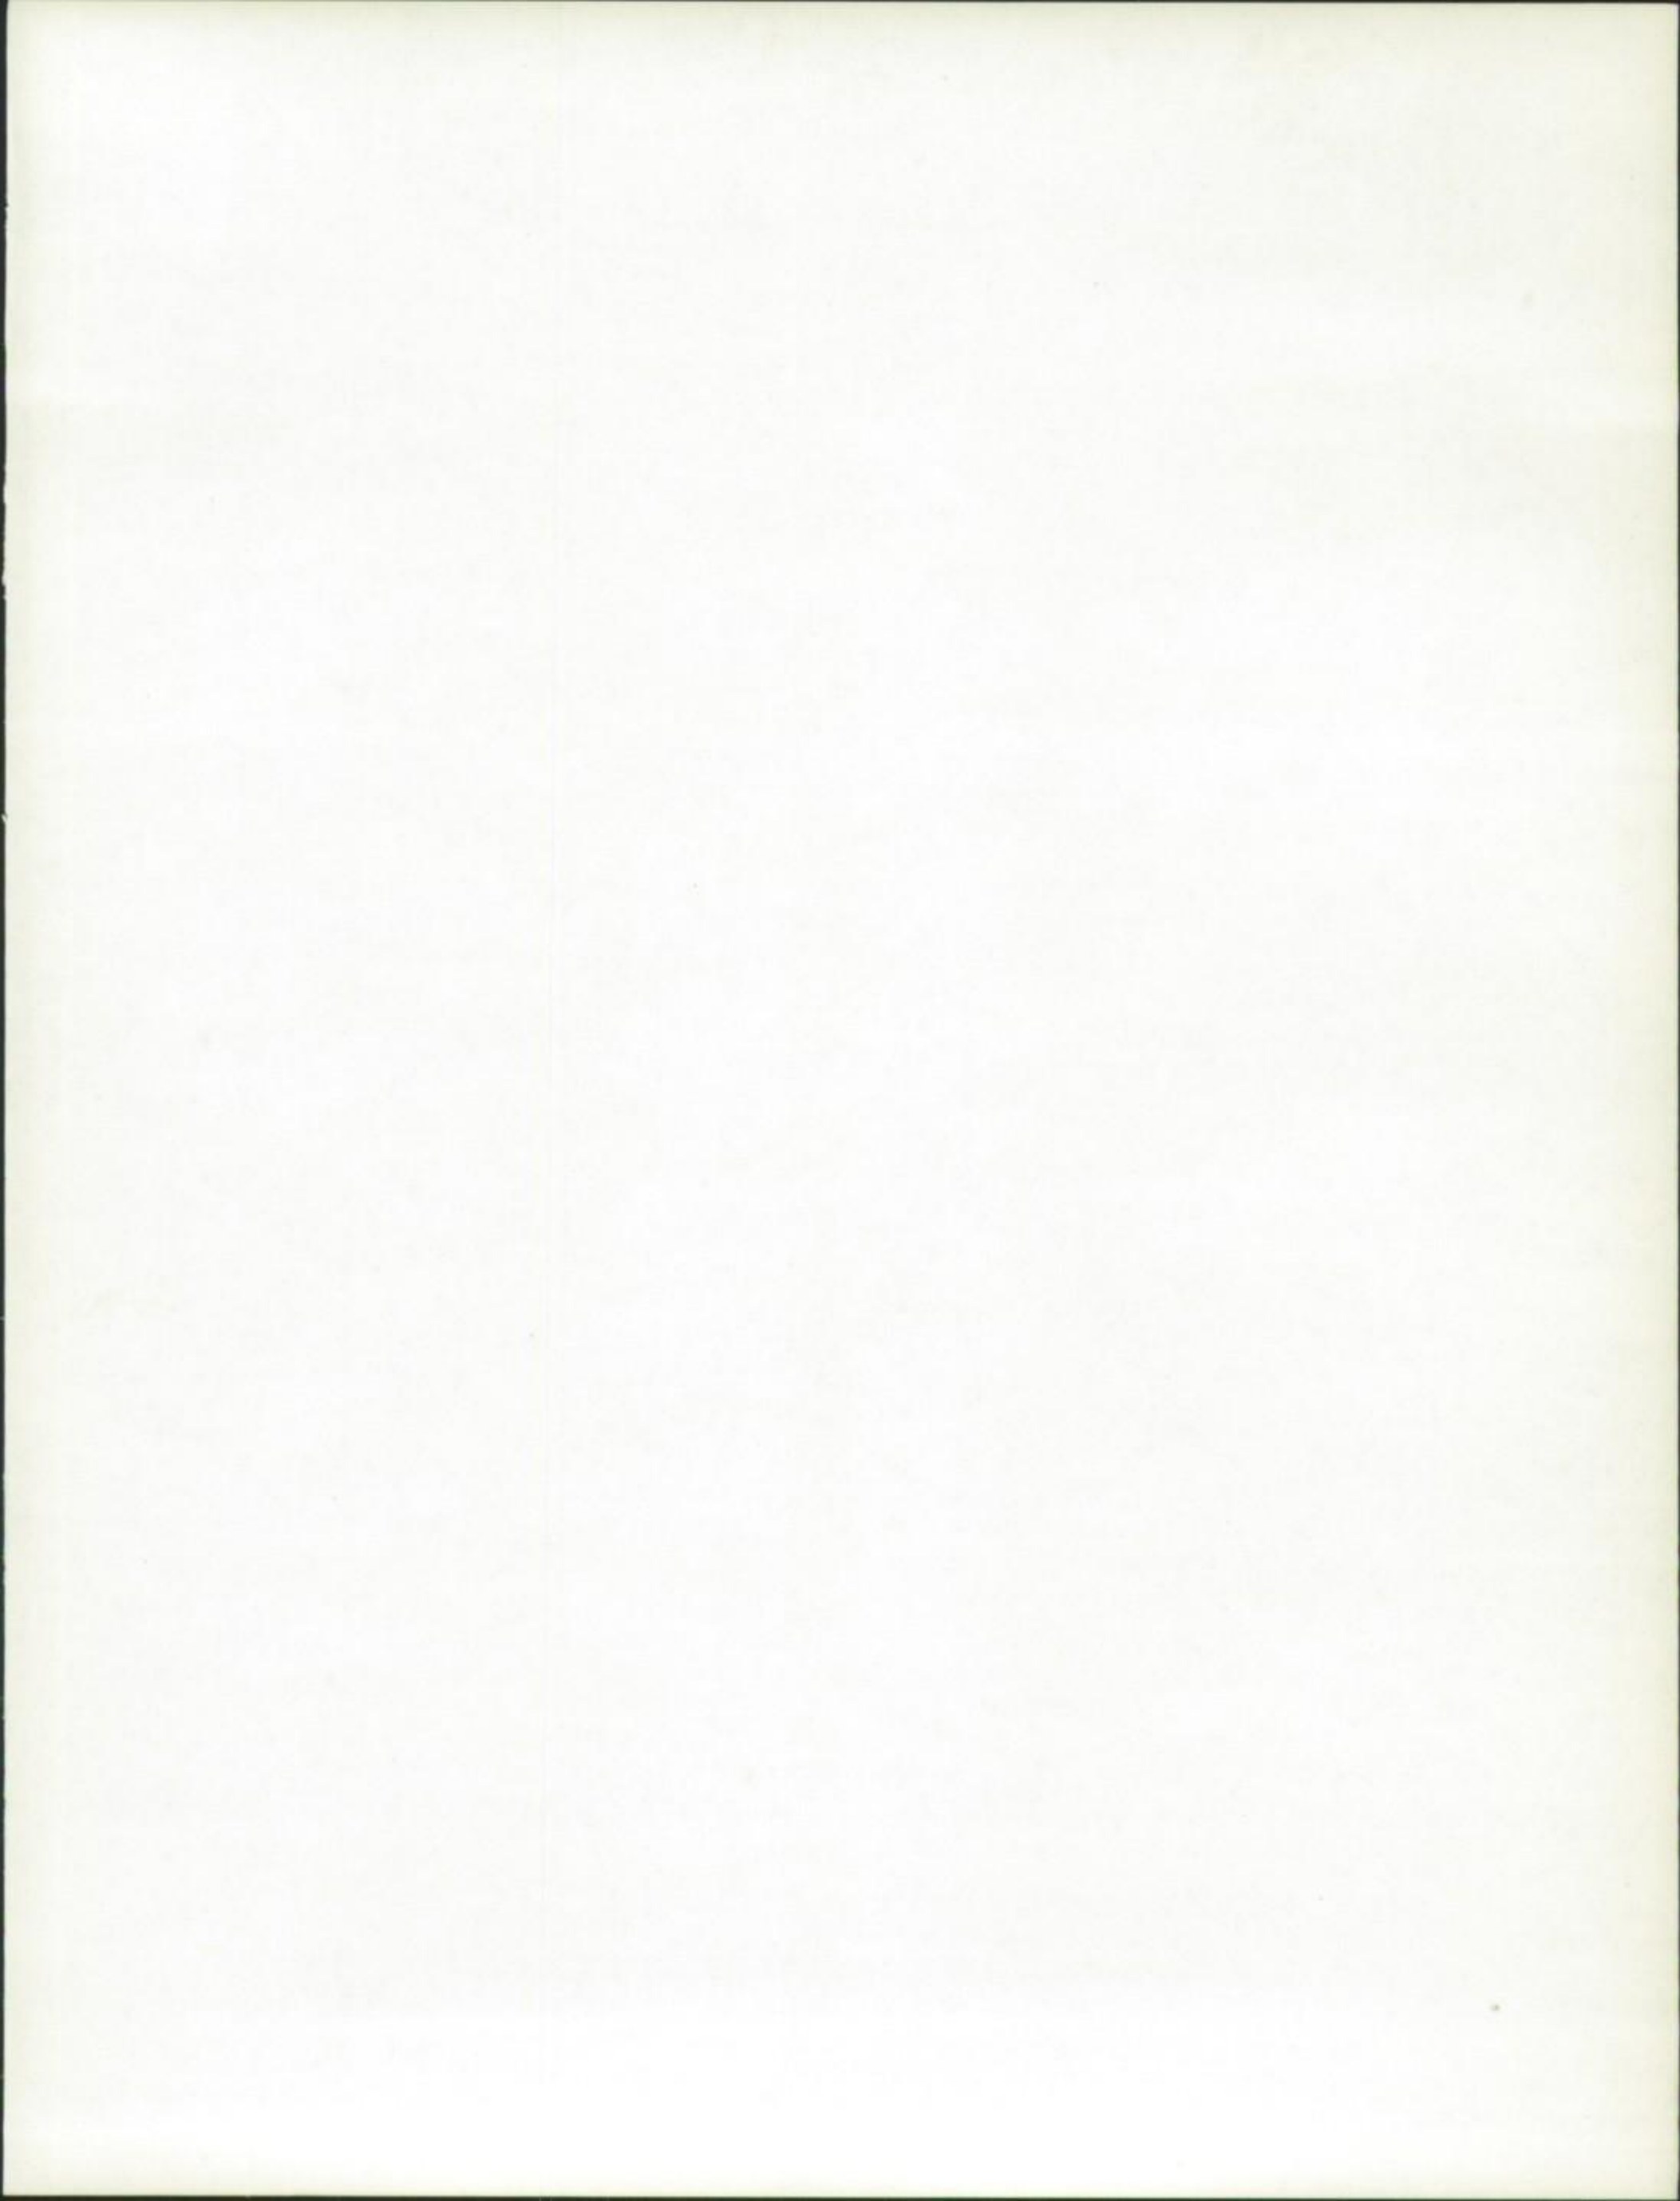

When the last laughs have been heard, the last sorrows have been shared, and the last embrace has been felt - Set love go on.

When the last "good bye" has been spoken, the last smile has been given, and the last tear has been dried - Set love go on!

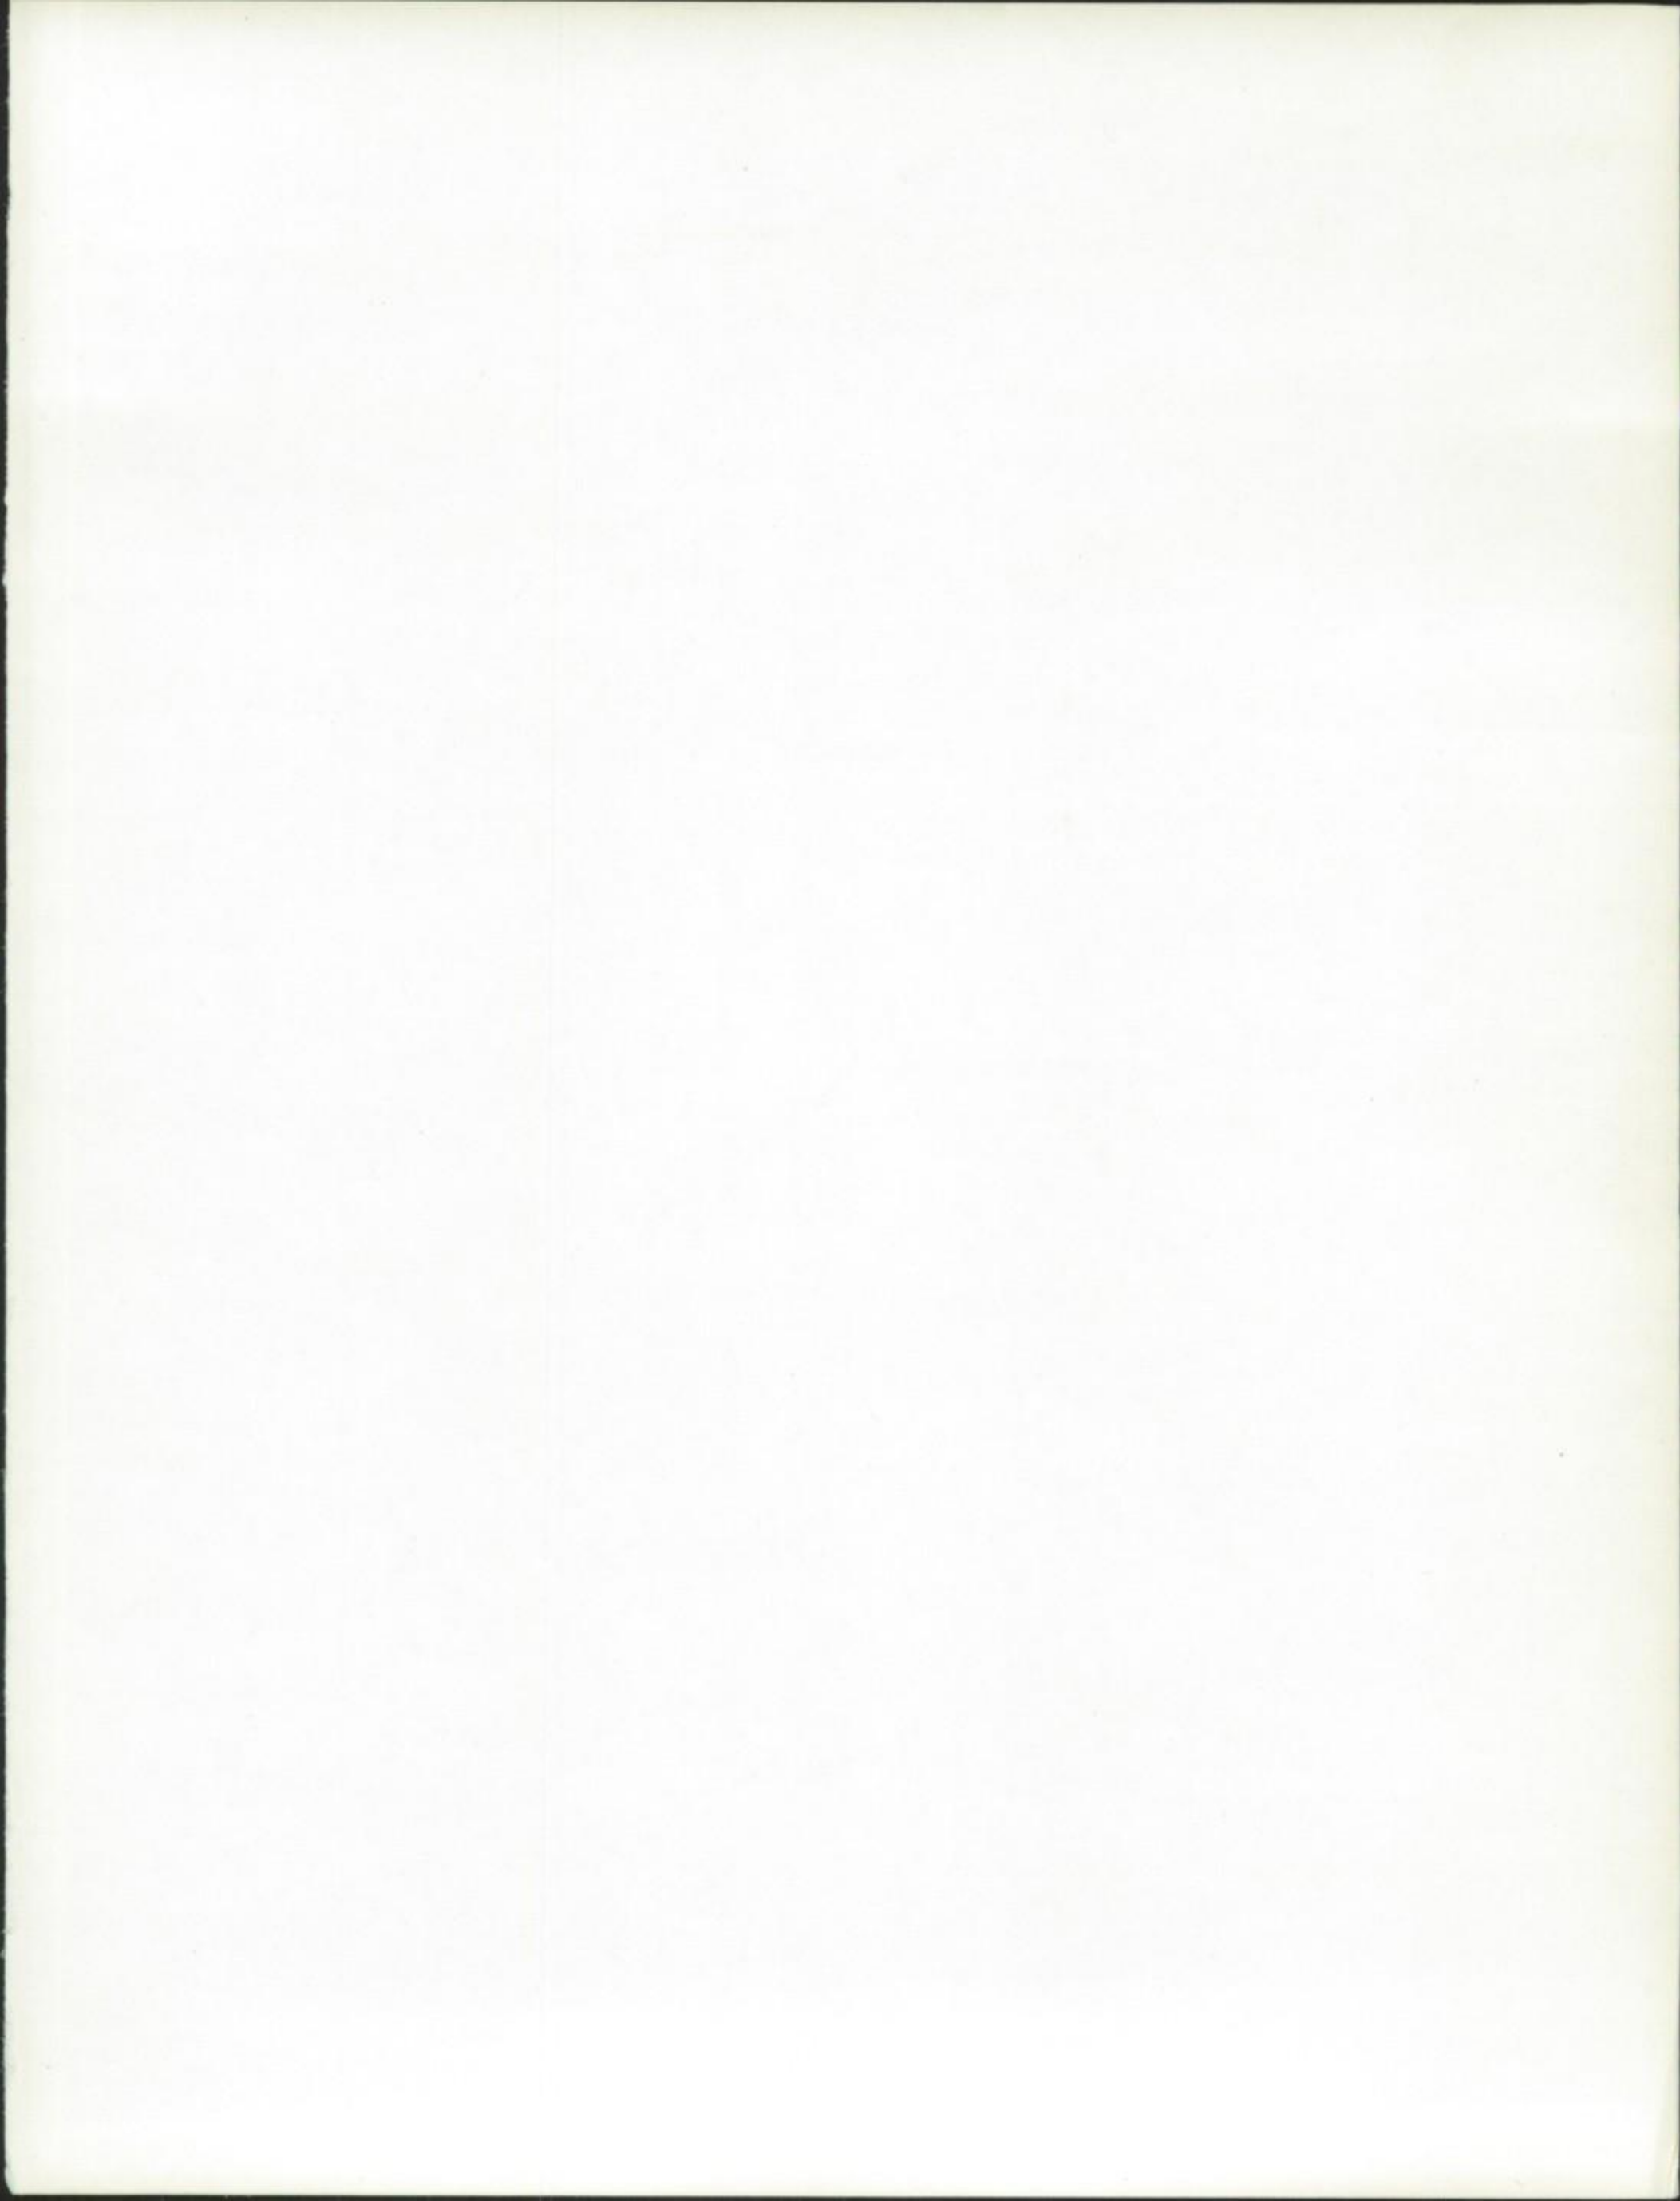

May all the precious memories of this year now securely locked in our hearts live with us forever.

I want to thank the staff for the many hours of work and worry contributed to achieve the success and Mrs. Tueton for her support throughout. To all my friends I want to say, I love you, and God bless you. Love always, Dawn
